

WHY THESE FIRES ARE GOING TO LOOK LIKE A SUNDAY SCHOOL PICNIC IN THE NEAR FUTURE ACCORDING THE FOLLOWING:

Above Pictures compiled by: Chris Hamilton and appeared on Facebook June 16, 2011.

The following article and prophecies written by [Dezso Jakab](#) (Facebook) Desi Jakab: Who miraculously escaped Communism during the Hungarian Revolution in December 1956, One little boy, ALL ALONE AT THE AGE OF NINE – and spent 7 weeks in the foreign country of Austria by himself.

Desi came to Canada in 1957 with an older brother who found him in Austria on January 30th – They immigrated to Canada together and arrived in Halifax by boat on February 28, 1957, travelled by train across Canada to Chilliwack, BC, and then arriving by bus at the Abbotsford Airport, in British Columbia on March 5, with his older brother Barnabas.

Some of the following visions were sent out by the late David Wilkerson on Email - February 2009: My wife and I had met with David Wilkerson personally at the Queensway Cathedral in Toronto, Canada in 1985 and also 1986. David proved to be a tremendous encouragement to me personally re: the Prophecies God had given to me during 1979 and 1981. Regarding the visions that were sent to me the end of February 2009 – David Wilkerson said: **"If I have ever heard from God, I definitely did this time." Part of that vision says, "One country will default on paying back its debts to the EU."** (We are pretty well there now - June 20, 2011: Greece, Spain, Portugal, Ireland, Italy etc., who have all been faltering very badly! However, I personally believe it will be more than one, but will start with one. Desi Jakab) **"Following the first country to default on the EU, within a two week period another South American Country will default on that country's loans to the USA: but before the end of the second week Mexico is also going to default on its loans to the USA. THE FOLLOWING DAY this happens, Arab States and South American countries are going to be pulling out billions of dollars from US Banks ... and before the day ends, the USA will close all banks, and call a Bank Holiday. All banks the banks will be closed for the next 6 months, with no money available for six month!"** According to David Wilkerson's visions and article, **"The fires and lootings will be like an implosion taking place throughout the USA" - Making the fires in the above pictures look like a Sunday school picnic to the riots, lootings and the fires that will be taking place across the USA! "No money available for the next 6 months! It will take the entire US Army to bring the USA out of the chaos. The USA will recover but will never be the same as before!"**

14 Books and booklets are available: Some of these are: "The Vision of March 24, 1981 "Peace and Safety, Economic Chaos and World War 3" first published and Copyrighted in 1982. These prophecies were shared with the White House in 1984, and includes copy of the card received from President Reagan in December 1984. "There's A Whole Lot of Shaking Going On" – published on June 2008, includes prophecy re: Israel happening now – and the lines being drawn back to the pre-1967 War!

In 1979 and 1981 God showed me – Desi Jakab very clearly that All North American Automakers and All North American Airlines had all Gone Bankrupt – PAST TENSE! What happens in the USA will affect Canada as well – and the chaos that is coming to Europe will also affect the entire world! In the visions given by God on March 24, 1981 – I also saw the Great Changes that were coming to the Soviet Union in great detail – which did not come to pass until the late 1980s and early 1990s. There is also another Oil Crisis coming where we may see gas prices at the pumps reach 2.29 per liter in Canada in the very near future as well.

What we have seen in Vancouver, B.C this past week following the Canucks' losing the Stanley Cup: and all the other pictures above are just a small glimpse of all that is going to come to the USA and North America in the near future: and going to make the fires above look like a Sunday School Picnic. Our world and our lives are so dependant on electricity and computers today – to keep our bank accounts in order and to keep our lives normal. But what happen when suddenly there is no electricity for maybe days, weeks and in some places months? Today we see God Shaking according to Bible prophecy – **“Shaking everything that can be shaken:”** Earthquakes, wars, riots, our weather systems completely bazaar and anything but normal in many places the way they now are in the entire world. Jesus Christ (God's Son) prophesied and warned in the Gospel's *“Men's hearts will be failing them for FEAR of seeing the things that are coming on the face of the whole earth.”* We cannot even begin to imagine how crazy things may get before this is all over with?

DRASTIC MEASURES NEEDED: In Canada we need to take drastic measures to change the wicked and evil laws that have been put in place: To name a few: **1.** The young Offenders Act: Over the years we have seen entire family of three killed in cold blood by a 15 year old who got only 3 years for his behavior, in Ontario back in the 1980s. **2.** We have seen a man who is not only a danger to society, but also CRIMINALLY INSANE kill 3 of his children a little over 3 years ago, and there is absolutely no criminal charges, NONE! Who has ever heard of such a thing? **3.** We have seen a young innocent 18 or 19 year old man butchered and mutilated in cold blood travelling on a Grey Hound Bus on his way home to Winnipeg, Manitoba (by a crazy Criminally Insane man who immigrated from China). My question is: Why was he not stripped of his Canadian Citizenship and deported back to China? This man was given a new identity and was released, and never charged. If we are going to save Canada from the disasters coming, the laws have to change! Otherwise how will the government be able to control and convict those that are given to evil? Too many of our young people today are out of control with drugs, sex, and crime. If they are under 18 they are all protected to do it again and again, without punishment for their crimes! Then we have the **Criminally Insane** who have committed **hideous crimes** and never brought to proper justice, thanks to the wicked and corrupt laws that protect the guilty at the expense of the innocent. **It is time to set the record straight: and time to clean up Canada's Justice Systems, including holding unscrupulous judges, lawyers and psychologists who are no better than all the people they have helped over the years to get away with no punishment whatsoever!** OUR LEGAL SYSTEMS HAVE TO CHANGE, OTHERWISE ALL OF CANADA AND THE USA WILL BE AND IS ALREADY IN A GREAT DEAL OF TROUBLE NOW! MAY GOD HAVE MERCY ON OUR GENERATION WHILE THERE IS STILL TIME! **How are our governments ever going to cope: When it will take the entire US Army to bring the USA out of the chaos?!!**

Before 9/11 when my Wife and I were on our first mission to Africa: I received the following word, "A Giant Military Base Under Siege" and that is exactly what has happened to the USA since 9/11: A Giant Military Base, the United States of America Has Been Under Siege: and it is only beginning!

Thirty years ago, I published prophecies that confirm these things and the economic chaos coming to North America: (Please go to Google search: Desi Jakab) or Contact us @ www.fthgm.com Thank you, from Desi and Martha Jakab @ Feeding the Hungry – Global Ministries. God bless you, and may God have mercy on both Canada as well as the USA! The USA is so far in debt that the only way out for the nations and the world is what Jesus Said, ***“As it was in the days of Sodom and Gomorrah and as it was in the Days of Noah – so shall it be in the days of the coming of the Son of Man.”*** In the visions of 1981 – that were given to me inside the White House in Washington, DC I also saw the beginning of World War Three: Prophecies were published and copyrighted in 1982 so people could not say after the fact that they were made up. For more information please contact us.
