CHAPTER FIVE - PAGE 40 “BEING CAUGHT UP”

**by Desi Jakab Prophetic Word given on April 1, 2006 -
During the night and in the early morning hours of April
1, 2006 the following words were given to me. “I (Desi)
had several visions in which we were no longer working
for men but we were working for God. Situations had
drastically changed, and I saw LOVE – A Pure Love that
was now being made available to us: and flowing out.
Men bosses were asking questions, but they were no
longer in charge of all that God was doing. We were free
and were now in fact working with and working for God,
and proclaiming the message of His Kingdom!”**

Also, July 2008 – while visiting family in Florida – the Lord said: “THE ECONOMY OF GOD’S KINGDOM IS NOT DEPENDANT ON THE WORLD’S ECONOMIES”–They are dependant on who? God alone!!! Then in September 2008 God again spoke and said,“THE REASON GOD IS SHAKING THE ECONOMIES OF THE WORLD, IS TO SHAKE THE WORLD OUT OF HIS PEOPLE’S LIVES”

More recently we were able to go once again to minister in Saskatchewan. We go to the biggest places on the face of the earth (hardly) – I find the churches in the Big cities are too rich – and they know it all and have it all together – and for the most part they care nothing about the true revelation of Jesus Christ made manifest in the people’s lives. God bless them – so God continues to take us to those who are hungering and thirsting for the manifestation of Jesus Christ and His Righteousness.

Our ministry continues to grow by leaps and bounds: We do not solicit for funds – and do not even take offerings. We also give our books and booklets away. God gives the increase! And He Also Gets All the Glory -- Praise His Holy Name!

Just got an email from a friend who is doing an “Exhaustive study on the wheat and tare” – and that kind of study is weariness to the flesh! My reply -- good for you my friend! -- SO IS GOD -- He did His homework a long time ago already - and as soon as He is able to shake the heavens -- those tares will no longer be with the good stuff in His Kingdom. Blessings!

1John and 2 John - the Apostle of Love - has quite a bit to say about those things. - Individually - we all need to just step into the fullness of all that He wants and desires to be in us. -- How are you doing?? We have been away and just the other day H.S. told me that you had been quite sick? Blessing to you and healing from the Great Physician -- sounds like you are better now ---

When I went through my sickness 3 years ago -- and God raising me off the death bed the second time in 6 years and this time I was also crippled up in both legs -- I went through some deep heart searching -- and one of the questions I had to ask the Lord and myself is why was the enemy able to so exact upon me -- and attack me the way he did?? And the chastening that the Lord allowed, did me (in my case) a whole lot of Good-Psalms 119:65-80 -- Blessings! This is why -- I would appreciate you praying for us that God will soon open the door to sharing the riches of His Word -- and the true Revelation of Jesus Christ His Son -- even as He spoke to me in 2006. Blessings and thank you for your prayers for us as well! Blessings!

OUR TRIP - TO SASKATCHEWAN: May and June 2009.

We had some wonderful meetings in Saskatchewan -- and some of the services after ministering in one of the churches for 5 weeks -- began to come alive like we have seldom seen. We saw some wonderful encounters during our intercession with the Lord and on the last day that we preached -- and after the second service several miles apart -- on the Sunday morning -- after the meeting and after the fellowship and lunch with the Church at Hazel Dell -- the Lord literally jolted me -- It was like lightning and I almost jumped out of my skin: as He spoke and said **“What God is yet going to do!”** Then on the way home we have friends in Kelowna -- their son (the family we have known since 1980) and our children used to play together -- **their son who has been on life supports now for 20 years, air pumped into his lungs, and food through a tube into the stomach:** -- paralyzed from the neck down -- bad motorcycle accident in 1989 Penticton -- had some deep bed sores happening in his body -- and things were getting really serious -- like if God did not touch him -- he would have not been able survive this yet another of the many attacks He already has had! As we prayed and I shared the Word of God -- just gunned it the last evening we were with them in July -- I have never seen the young man (38 years old) come so alive -- Not in many years! -- We had a true Holy Ghost meeting with God -- and praise God the bedsores are now healing up.

I felt a real opposition of the enemy as we began to pray and as I began to gun the Word of God into him and over his life -- and it was the same opposition of the enemy that has kept him in that state now for the past 20 years. His name is Dan and he literally lit up like a light bulb -- no exaggeration. And so did his mother -- his dad talked to me the other day to tell me of the good news. The glory goes to Jesus Alone! There was a definite breakthrough that evening, and we all knew it! The father also apologized for his part and not staying with us (Martha, His wife and I and the son) he is a retired preacher - and he went outside and was looking at the flowers in the garden instead. The battles these dear people have gone through over the years -- and then to be discouraged and not sure of what to think of it all! I wasn't even aware of the fact that he was not there. And also if a person does not feel faith in their heart at that particular moment -- they need to be somewhere else. And I share all of this in the Love of God: - They are our friends and we know them well, and they have been the ones who have held steady and kept faithful to keeping their son alive -- all with God's intervention and God's help -- in the face of all odds -- including the doctors telling them -- that their son would not last more than 3 years with the condition that he was in, and here we are 20 years later! I was not even aware of who was all with us -- all I know is Jesus was there! -- And God simply broke through like we have not seen in many years!

Also, how are the meetings in Fort Langley? Are you folks still involved there? - When Martha and I went to the home meeting - that was quite a while ago -- I noticed and sensed that there was a lot of immaturity in the lives of the people. I see this in most all the places we visit. But like many of God's people they were hungry for God -- without a doubt, and that is always wonderful to see! The only thing that grieves my heart is that most often as always the churches continue to use the old wineskin methods to try and bring revival, and not the true and gut wrenching repentance that is so needed in our day and the cleansing that goes with it.

How do we measure maturity: -- If it is only by the signs and wonders -- **to me that is the first sign of immaturity** – even as we have seen for many years - people running after meetings and preachers, the signs and wonders! **When we begin to see people truly transformed and being conformed into the true image of Jesus Christ and no longer reflecting the image of the beast – the fallen iniquity nature in man – that is true transformation!** How we need the fullness of the Gospel of Jesus Christ which is also the Doctrine of Jesus Christ - manifested in the flesh in us -- that is the trueness of the Gospel and the trueness of the maturity and the measure is Jesus Christ – His Love, Spirit and Life Manifested in each one of us! But how can they even start when the truth of God’s divine blessing and Word is not being imparted into the people’s lives. The greatest impartation comes from the Lord, and God’s Holy Spirit, and the man or woman of God must be all of Christ and nothing less!

I feel there has been such a lack of the Revelation of Jesus Christ that is not known – there are a lot of preaching and teaching going on – but not many fathers – who have lived it and are walking in it. Most everybody I know -- looks at and locks onto the world when they preach and teach the book of the Revelation of Jesus Christ. Since 2003 I am just finishing the 10th book or booklet -- the Second one was on the "Way of the Cross and the Crucified Life as found in the Book called the Revelation of Jesus Christ." And when I gave that book to the preachers and some of the leaders in one of the churches in our area -- they simply made mockery of it and threw it into the garbage. Can you imagine making mockery of the 'Way of the Cross and the Crucified Life - as found in the book called the Revelation of Jesus Christ" And not even taking it to the Lord and seeking Him? Most preachers are too rich – and not humble in spirit. The mysteries of God would not be mysteries if they were not hidden from the intellect of man and the wisdom of this world and this age! But when it is hidden from those that are supposed to be true leaders of God’s people it must grieve the heart of God – and I have felt grieved many times when I hear how they asked their right hand man Bill – to take care of the books.

‘The messages are regarded Strange and Weird – by them That is not the way the Revelation of Jesus Christ should be – **not when it was written to those who are called to**

be the leaders of God's people, and to be the first fruits unto God! What a shame when they are the ones that know little to nothing about it – and Christ is not manifested the way He needs to be in them and to “Be even as Jesus Unto the People!”

Some of your friends had become also offended at me after I gave them those articles -- when I came to H.S. in April. I was only there for 2 or 3 meetings -- and was trying to just find out where my friend was coming from and where they were at. He has some wonderful insights - But the Book of Revelation warns us not to add to the words and not to take away. -- And in those areas -- the immaturity is phenomenal: and especially those that were offended at all that the Lord has been saying -- God bless them. **When I see the immaturity in people's lives – it grieves my heart -- they get drawn to intellectualism and interpretations that are all the teachings of men, etc., and those things only take away from the true revelation of Jesus Christ -- the Word of God becoming manifested in us - in flesh - until we behold His glory - full of His Grace and His Truth -- and nothing of man or and hopefully nothing of us.** Blessings from us! - Desi

CHAPTER ONE: HONORING AND RESPECTING THE WORD OF GOD

By Desi Jakab – August 10, 2009

Jesus Said: “My sheep know Me and I know them, and they hear My Voice and they follow Me”

Unto Jesus Shall the Gathering of the People be, and nothing more and nothing less!

Hi to all those who are genuinely hungry and thirsty for the truth of God's Word. If you are hungry and thirsty for God - and desire the fullness of the life of both the Father and His Son to be manifested: you are hungry and you are thirsty - you are welcome!

I will be starting to teach and minister on the Revelation of Jesus Christ shortly -- based on John 1:12-14, as well as Matt.11:25-30, and also Revelation 1:1-3 -- just need the timing of God to release me and to set the meetings up. God bless you –

There are a lot of people out there "wandering around like sheep without a shepherd". -- Let us keep connected. Blessings!

Here are some of the things that I have been writing: and the foundation from where I am coming from -- These are the things the Lord has been teaching me now for the past 23 to 30 years -- the same platform that the Apostles of Christ preached from - and nothing more and nothing less. The Gathering of the People is to be Unto Jesus, and into the fullness of the Life of the Father and the fullness of the Life of Jesus manifested in flesh! - Not unto man or man's teachings or the doctrines of men - but the Doctrine of Jesus Christ (2John). Not unto men's organizations or those building the kingdom of men.

The Bible says - strong meat belongs to those who are mature - and they want all that God has for them, and also they are hungry and thirsty for the truth -- and that truth will also set them free. The call of God's Holy Spirit today is - Revelation 22:17 - "The Spirit and the Bride say Come, And let him that hears what the spirit is saying unto the People of God - say Come and let him that is thirsty let them say - Come! And let him or her take of the water of Life freely."

THESE ARE ONLY SOME OF MY NOTES: The children or young will not be turned off by these messages but they will come to know Jesus (Matthew 11:25-30). The old the religious -- God help them - they will not be able to accept them - unless God does a genuine work in their heart. Our biggest enemy today is not the world, but the religious world that is under Great Deception - and grounded and rooted in the wisdom of the World and the teachings of men, instead of the Doctrine of Jesus Christ - which is Christ come in the flesh - and made manifested in us - and dwelling amongst us. The same way the early church was.

"The Revelation of Jesus Christ: When the Word Becomes flesh, He lives Amongst Us"

HONORING AND RESPECTING THE WORD OF GOD

When it comes to Transformation that takes place around the world and people's lives – often the transformations do not last, or people stop and come short - of all that God intended for them: even though God desires it more than we even know. What are the keys to lasting transformations that can come not only into people's lives but into churches and entire communities?? God's heart and desire is that in our generation there would be a people **called out** to bear the trueness of the image of Jesus Christ within them, and that the power of God's anointing would be also able to reach entire communities – and bring lasting changes that would hold! This message I believe is very important and I will try to make it to the point and as brief as possible. Is there a generation alive today in the church world of our day – where we may have completely overlooked the warnings that are written and as a result show clearly an absolute disregard we have had when it comes to **respecting and honoring the Word of God**? Is it possible that we may very well be living in a generation which for the most part does not love or respect the pure and unadulterated word of God, the way we need to? **If we love God we will also love His Word, more than our own lives!**

Let me explain:

I believe that one of the greatest sins of the 20th and 21st Century churches of our day has been the perversion of truth and the mixture that man from his own intellect and own un-doing has been perverting the interpretations that are written and added into the Book called the Revelation of Jesus Christ. How many messages containing the doctrines of men and all the interpretations being put into that book by men, instead of the true Revelations of Jesus Christ? The warnings are very clear – “If we add our own interpretations – He will add the plagues written in the book - into the lives of the people: and that is a place where the people of God are constantly hindered from the maturity of Christ. And if we take away – the warnings are fixed – that type of disobedience will keep us from eating from the Tree of Life and if we continue He will also blot our names out of the Book of Life. It is fixed and it is written – but why have we been so lukewarm and

indifferent when it comes to the doctrines of men and even doctrines of devils – and not seeking the Lord of Glory with all of our heart when it comes to the Doctrine of Jesus Christ. How we need Revelation of Jesus Christ and the Spirit of Knowledge, Wisdom and Understanding to bring us into the Fullness of Relationship: more than anything else!

I find it so ironic that when I have given out the books and the messages – most people regard them as weird and so Off the Wall – only because they are not able to wrap their carnal heads and natural minds around the truths that have been hidden from those who are wise in their own conceits or wise in the interpretations and teachings of men. The mysteries of God would not be mysteries unless they were hidden from the natural mind of man and humankind. When God is able to open up our understanding – we have to come before Him with pure hearts (our motivations have to be right); hungering and thirsting for His Righteousness and His Glory and nothing more and nothing less: nothing added or taken away! These do not come unless becoming empty of self, empty of loving self more than God, and empty of the evil natures that we were all born with. And without God’s help and anointing these things are also impossible to grasp and impossible to properly get a hold of, because it takes the crucified life to be intact by our submission to the Lord completely.

Just like on May 6, 2009 the Lord spoke to me and said: And so profound was the Word He gave: “The Plan of God’s Salvation was all sealed up until Jesus was able to loose the Seven Seals” – Revelation chapters 5 & 6, etc. This may be booklet number 10 Listed at the end of this message. The Seven Seals are Seven Experiences the Christian must go through in order to come into the Fullness of the Image and the Stature of Jesus Christ. Just like when you get to the Fifth Seal and you see those who have entered into the Crucified life – their souls are under the golden altar – and when the Sixth Seal is opened – all the natural lights lose their effectiveness – and those who have not been crucified experience what is described in the rest of the chapter and the tormenting circumstances that come as a result of them not seeking His Face, while they have had the opportunity: **“Seek the Lord While He may be found and draw close to Him while He is near and let**

the wicked forsake their evil ways, and the unrighteous man his thoughts.” During the time of the Seventh Seal – the mighty angel has the seal of God to seal the servants of God in their foreheads – they come into God’s fullness having the mind of Jesus Christ. The testimony of Jesus was this: “He did only those things that He saw the Father doing.”

The warnings are very clear and very definite!

Revelation 22:18-19 and also 2Chronicles 7:13-14 are all so very clear. When God sends pestilence and or the plagues among His people – if they do not repent and turn from their wicked ways – He will not hear them from heaven and neither will He forgive them their sins. When man adds his own interpretations – all founded in the wisdom of men and not seeking the revelation that come from the Father – and from His Son – Revelation that will lead people into the Fullness of Relation with the Father and with the Son – through the Power of the Holy Spirit. Our indifference is what keeps people from not only the Maturity of Christ (Having no ability to overcome) and it also warns by taking away - He will also take their names out of the Book of Life. **HOW CARELESS AND DISRESPECTFUL OUR GENERATION HAS BECOME BY PUTTING INTO THAT PRECIOUS BOOK AND TAKING OUT OF THAT PRECIOUS BOOK – THE TRUE GOD GIVEN REVELATIONS THAT HE SO WANTS TO SHARE WITH US!** And for the most part not knowing what Revealed truth is. Revealed truth comes by hungering and seeking Him for it! This is why people find it so hard to receive revealed truth – instead of the lies and deception of the enemy.

The Mixture of man’s own interpretations have to be REPENTED OF – and the vessels cleansed and the truths of God given Revelations – to be Restored – Acts 3:21 – For these are the things hindering the church and even the Bride of Jesus Christ from making herself ready in the hour we are truly living in.. I have put more than 30 year of God’s dealings in my own heart and life and the Holy Spirit teaching me and giving to me the true interpretations to the book of the Revelation of Jesus Christ.

The Vision of the polluted waters shown to me in 1982 – Being opened on all the churches in Alberta & Saskatchewan Canada – where we were in ministry - following the publications of the prophecies published in 1982: Have all been now fulfilled! – Included were the devastations that were clearly shown. The church of Jesus Christ being trodden under the feet of men instead of the restoration of God’s life in the purity of God’s Holy Spirit: And these plagues written and described will continue until the Leaders, and God’s people are able to truly Repent of the Atrocities that have been done to God’s Word over the years.

A key break through in my own life came in 1986 – ’87 when for the entire year God was dealing in my own heart and life. After seeking God for the entire year – He began to reveal to me the mysteries of His Kingdom and the mysteries that unlock to us the book of the Revelation of Jesus Christ. And they had nothing to do with end time eschatology or men’s interpretations that have been wrongly taught over the years - keeping God’s people in the darkness of their own hearts and in bondage **2Peter 1:15-21 & 2:1-3**. **All that the Lord has given me and spoken unto me** are contained in the books and booklets listed: and cover the ground work. **These are the messages which the Lord has given and spoken, to someone who possibly more than anyone else needed the Revelation of Jesus Christ in his own life. Someone who left home at the age of nine – upon hearing the voice of God: And miraculously escaped into the free world all alone at the age of nine! A little boy, who was hopeless and lost, had nothing and was completely insecure without the Help of God in his life!**

The messages are designed to bring us into the Fullness of Relation through the Re-ve-lation of Jesus Christ:

That is the fullness of relationship with both the Father and with His Son Jesus Christ - Even as it is described ever so well in 1 John 1:6-7 “Where true fellowship begins with the Father and with His Son – and us walking in the light even as He the Father is in the Light – and it is in that light – that the blood of Jesus Christ cleanses all of us, from all sin – where there is no sin amongst us!”

(No different than what the Early Church had in the book of Acts chapters 2-7!) And if we say that we walk in the light, and have fellowship with Him, but walk in the darkness of our own heart and understanding – than we lie against the truth. One will say is that possible to walk in the light even as He the Father is in the Light? There is no sin either in the Father, or in Jesus or in the Holy Spirit of God. And this is why I am able to declare unto you and unto all of us: – Those who overcome – they overcome that sinful nature all through **1.** The blood of the Lamb, **2.** The word of their testimony – where His testimony becomes our testimony (the Testimony of Jesus is the Spirit of Prophecy) – where the spoken word of God becomes the engrafted word written on the fleshly tables of our heart and manifested in flesh - in all of us! **3.** And they love not their lives unto the death – unto the death of the cross: until it is no longer I that live but it is Christ that is living in me and in all of us! People in our day want a short cut to revival – I have seen it year after year: But without these God given principles the lasting transformation that God wants to give to us - will never happen. All we see is people running after preachers and meetings and they never truly get what the Lord desires to put inside of them and into their life. A lasting transformation of both heart and mind: and the total salvation of spirit, soul and body.

Martha and I sincerely hope that the writings and the revelations given by the Lord will not be lightly regarded because if they are – without the restoration of Truth – All Truth - Christ will continue to be held in the heavens: Acts 3:20-21. The darkness in men's hearts and the lack of the True Revelation of both the Father and His Son's Life is one of the Greatest Sins we have today. **AND THE GREAT NEED THERE IS RE: TRUE AND GENUINE REPENTANCE** toward and regarding the perversions that are constantly being placed into the book – that is the Revelation of Jesus Christ (Revelation 1:1-3).

I challenge all of us: The sooner God's church is able to repent and to get our heads and hearts around these truths and messages – the sooner we will see a genuine

and true restoration and a lasting God given transformation come: as we allow Him to prepare our heart and life, all through the Power of God's Holy Spirit and in the Love of God.

The things of God are spiritually discerned – NOT NATURALLY to be interpreted or discerned through the wisdom of men. When they are naturally discerned by the wisdom of man – it is not the Wisdom of God given Revelation. So why are people insisting on putting into the Revelation of Jesus Christ (such as the Roman Emperors in the first century or once again the world's systems are to be the seven heads and the ten horns – **these interpretations have all come through the wisdom of men and NOT the Spirit of Wisdom, Understanding, or the Spirit of the Revelation of God the Father or His Son Jesus Christ.**

The foolishness and the wisdom of men – does not produce the wisdom that comes from God alone! 1Corinthians 2:1-16 & 2Cor.2:17 We are told, “there are many that corrupt the word of God.” **“FOR THE THINGS OF GOD ARE SPIRITUALLY DISCERNED AND NOT NATURALLY DISCERNED - FOR THE NATURAL MIND OF MAN DOES NOT UNDERSTAND THE THINGS THAT ARE FROM GOD.”** It Takes the Holy Spirit of God to reveal them! **While in Romans we read, “The natural mind of man is an enemy of God.”** The enemy feasts on the carnality and the religious systems, and the teachings of men!

The hidden manna of God's Word is even as Jesus said: “My words are Spirit and they are Life (they give unto you life as they become the life giving substance of God, within us).” The church has preached over the decades now through out most of the sixty plus years of my own life, that the mark of the beast is going to be **“the chip”** and as a matter of fact in their carnal and natural understanding – it is in fact “the mark of the beast” they say and will even shout it back at you: **Not realizing that the messages they are preaching is producing absolutely nothing in the**

people's lives but only the dead letter of the word that kills! And so it was supposed to be when the SIN number of man (Social Insurance Number – as they call it in Canada) came out. If we add our own words into that book and take away from the words – He will add not only the plagues but also take their name out of the book of Life. Producing everything by their own intelligence and own self ambitions and own self-will, and producing an image like unto the beast that is never killed and never crucified... Coming to know the living God and His Son Jesus Christ is to seek them with the whole heart – that we truly may come to know them! There are many places throughout both the Old and New Testament where we find that - “Man without understanding (does not know God) dies in his and in her own sin – because the beast or iniquity nature in man is never killed and never truly or properly crucified.” Psalms 49:20 – etc., Our North American society knows little to nothing about the crucified life the way Jesus and the way the Apostles of Christ knew, and lived it. **Some do, but the majority - do not!**

While the churches are preaching the natural and getting people's hearts and minds rooted in the natural things of this world and “watching those things that are coming on the face of the whole earth” – **instead of learning to seek the face of God the Father and the Face of Jesus Christ Alone.** – The devil is laughing at the church – as they continue to trample God's Word and the Holy City under the feet of men (**Rev. 11:1-2, and also Hebrews 10:28-30**) Instead of being delivered and instead of the enemy being crushed underneath the feet and instead of allowing “The God of peace to crush Satan underneath our feet.” The works of God are under the feet of men. When will they ever learn? When will they ever learn?? God bless you and keep you and make His face to shine upon you and give you His peace is our sincere prayer. Books and articles are listed with the material enclosed -- **“The plan of God's salvation was all sealed up until Jesus was able to loose the Seven Seals”** - (Those words spoken to me by God's Holy Spirit on May 6, 2009.) What are the Seven Seals all about? **The plan of God's salvation - and nothing more and nothing less! Blessings!**

Rev. 12:11 “And I heard a loud voice saying in heaven, NOW is come salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night – (Please compare that to Romans 8:1-2). ¹¹And they overcame him (the flesh the world and the devil – the 666) by the blood of the Lamb, and by the word of their testimony (the word becoming flesh and dwelling amongst us); and they loved not their lives unto the death (death to the flesh the world and the devil – the crucified life).”

1John 1:1-3 “Behold, what manner of love the Father has bestowed upon us, that we should be called the sons of God: therefore the world knows us not, because it knows Him not. ²Beloved, NOW we are the sons of God, and it does not yet appear what we shall be: but we know that, **when he shall appear - made manifest in us, we shall be like him; for we shall see him as he is.** ³And every man that has this hope in him purifies himself (All through the power of God’s Holy Spirit), even as he (God the Father and His Son Jesus Christ) is pure.”

Purity of heart soul spirit and mind – in fact having the Mark of God – which is the mind of Christ within our foreheads, and the mark of God (not the mark of the sinful beast nature in man) within the Right Hand Ministry of God, which is symbolic of the Power and the Authority of God is an absolute must if we are to be in the glorious first resurrection. Then we also need to fall into the ground and even allow the Sword of God’s Spirit to completely decapitate us – so that we are truly able to receive the Fullness of the Headship of Jesus Christ. Burn us up Lord, burn us up until there is nothing left but only You! “*For our God is a consuming Fire!*” **Hebrews 12:29**

April 18, 2009 @ 6 pm – The Lord spoke to me the following: “Those who despise or hold His word and warnings in Contempt, despise both the body and the blood of Jesus Christ.”

The following is a letter from a ministry friend – Monday, August 10, 2009 - By Desi Jakab

I just heard a recent report from what I consider a reliable source. The report stated that recently Pope Benedict issued a call for a **new world Financial System** but that's not all he also, according to this report, issued a call for a **new world order** . The following is a listing of some exerpts and commentaries from several sources regarding the recent encyclical of Pope Benedict. Blessing, Bob **“Pope Urges Forming New World Economic Order and a New World Political/ Governmental Order”**

My answer to Bob's letter: Hi Bob and Blessings: -- The wisdom of this world takes us away from the knowledge of Jesus - the wisdom of this world is on the opposite polarization when it comes to the wisdom of God. The Beast of this world is the wisdom of men and the wisdom of the world. The wisdom of God brings us into the fullness of relationship with both the Father and His Son. The other stuff takes us away from them, and profit the people of God absolutely NOTHING – O! 1Corinthians chapters 1 & 2, etc.,

We were just watching the news this evening, and the weather system being so bazaar with all the other problems in the world: the next decade there is yet more wars on the way and what I saw in 1996 was 20 years of wars, and things in the world got so bad that there came a drastic shortage of food and people in places were actually eating the dead carcasses of those that had fallen to stay alive:

In the vision I said – “Lord if things are going to get that bad - I do not want to be around for it.” But for the sake of the kingdom - cut me loose - the Lord knows-Blessings! **"I am truly interested in - "What the Lord is yet going to do:" and I believe so are you.**

These things re: the Pope etc. are nothing compared to - **"All that the Lord is yet going to do!" and that is what gets me excited and going forward and in the Lord - I love you brother - blessings from Desi.**

My second letter to Bob the same evening:

Hi Bob -- once again -- I forgot to mention how they were calling for a New World order after the Flood in Noah's days (he was still alive - when Genesis 10 and 11 were taking place -- and look how God answered their cry for the New World Order! The Lord had commanded 3 times -- once in Genesis 1 "to multiply and replenish the earth" - then 2 more times in Genesis 9:1 and 9:7 again -- then in direct disobedience to God's command they decided to build a city that had no foundation -- very much **unlike** the New Jerusalem - which Abraham went looking for -- a city that had foundation and who's builder and maker was God!

Then after their deliberate rebellion and disobedience to the commandments of God -- not only did God shake up the entire situation -- the languages went first -- and once they were scattered over the face of the entire earth -- then he shook the and separated the earth as well -- Genesis 1:9-10 (the seas were all in one place -- not the many that there is now) and the earth was also one large land mass as well) and then He divided the earth - literally **Genesis 10:25** -- Like what kind of shaking was all that? -- when suddenly there were all the continents and all the large lakes and oceans -- like what kind of shaking was all that --- Man is not as smart as he thinks he is --- These are all from very accurate sources -- Holy Ghost given and documented by Moses and his contemporaries and Noah being in the middle of it all! -- Not only was Noah in the flood but also the things that I have just described.

When God jolts me and tells me regarding -- "**All that He is yet going to do**" -- then I sit up and listen. I appreciated you sharing with me re: the wonderful meeting that you had south of the border with your wife and all the wonderful healings etc.,

And I appreciate you sharing - even re: the Pope - **but I get grieved in my heart when most of Christendom is caught up with that stuff (JUNK), and blind to the Revelation of Jesus Christ** - (I do not mean you or in your case) blessings! God bless you Bob, Love and blessings from us - Desi and Martha Jakab

CHAPTER 2 :

“The Plan of God’s Salvation was all sealed up until Jesus was able to loose the Seven Seals.” Was spoken to me on May 6, 2009 -- Revelation chapters 5, 6 and 7
By Desi Jakab

Dear Friend:

Just want to share these with you: I feel they are very important:
Love from Desi and Martha Jakab

I have been writing a great deal the past several years re: **the Book of the Revelation of Jesus Christ**. I do not share my own interpretations - due to the warnings of Revelation 22: "Not to add -- our own thoughts, interpretations nor to take away from the prophecies written." I would love to share these with you. One of the booklets is called "**The Way of the Cross and the Crucified Life, as found in the book called the Revelation of Jesus Christ.**" The reason I am contacting you is because last night I had to get the computer out and begin to write -- after the Holy Spirit spoke to me the following: **“The Plan of God’s Salvation was all sealed up until Jesus was able to loose the Seven Seals.”** This was the Holy Spirit speaking to me -- Extremely profound! It did not come from me! God loves to surprise me!

Already I have shared re: the Seven seals at an earlier time in my booklets -- and how that "God's people -- the overcomers are sealed with the # 7" and with that I also wrote re: the first two horses of Revelation 6: after the Lord spoke that word to me last night. I have written more in the books and booklets I have written over the years. They are not popular - because what I share does not come with man's intelligent - views, but the interpretations that have been given by the Lord, and God's Holy Spirit -- and they will challenge what man has been saying and preaching: but they are definitely confirmed by the teachings of both Jesus and the Apostles of Christ as well as the prophets: all within the context of

what the Lord has spoken -- and not what man's private interpretation have said in the past or present. (2Peter 1:16-21 & 2:1-3)

For example -- in 1986 the Lord spoke to me and said -- "The beast in Revelation 13:11-18 describes the workers of iniquity." The beast comes out of the earth and has the appearance of a lamb "two horns of a lamb, but speaks with the voice of the enemy." No different than "*the ravening wolves attired in sheep clothing*" Jesus talked about: or the many deceivers and the many antichrists the Apostles of Christ wrote about in their letters: Their inward natures have never been properly transformed into the image of Jesus Christ. They have the ability to do great signs and wonders – but the best they are able to do is by their own wrong life and natural humanistic wisdom and example – call the people of God to make an image like unto the beast that was wounded to death, but that old iniquity nature in them is healed (never properly killed or crucified) and continues to live in them. These are "*the many*" that Jesus talked about in both Matthew 7 and Luke 13 – "*Who will come to Him in that day – saying Lord, Lord – but He will say to them I have never known you*" – I am not like you or the way you have misrepresented Me in the eyes of the people! I am only sharing very little here – my writings cover these topics extremely well.

Without the proper teachings of the Principles of the Doctrine of Jesus Christ, and without the fullness of the crucified life or the revelation of God's true light in them: the people come only so far and mostly in head knowledge and continue to remain outside of having the proper revelation of Jesus Christ within their own heart and life (Revelation 11:1-2). They become religious even as 1Corinthians 13:1-3 tells us and even as Cain the son of Adam did.

Cain was a tiller of the ground, symbolic of constantly sowing to that corrupt carnal nature as well as the carnal mind in man. "***Over a process of time***" **not only did he attack the Spirit of Truth and Revelation that was in his brother Abel's life, but also killed him.** Finally he goes out from the presence of the Lord, and God

put a mark upon Cain – that mark was the original mark of the beast nature in man! And only those who have the mark of the beast are able to function in the harlot systems of men and not be killed (not be able to experience the crucified life, or the resurrection of the newness of His Life within). Most all of my books and booklets clearly disclose these truths – but they are also hidden from the wise and those who are prudent in their own eyes. God is only able to reveal these things to babes, those who are broken and who have become totally dependant on the Master to teach them and to bring them into the fullness of the relationship that both the Father and His Son desire to share with us: – **Matthew 11:25-30**. 1Corinthians chapters 1 and 2 further deals completely with not only the crucified life, and the wisdom of men or the wisdom this age, but God having to open the eyes of our understanding: And only when the Word of God becomes flesh in us – only then are we going to see Jesus truly glorified in us and through us.

A Word of Warning: *“The hail – the cold hard word, spoke in the true love of God – will sweep away the refuge of lies”*: (Isaiah 28:17) and the false teachings of men must be renounced – for God cannot open up our eyes properly without true heart searching and true heart wrenching repentance. “Rend your hearts and not your garments” – rending the garments is like a hypocritical and feeble show of repentance **that is not true in the eyes of the Lord** or according to the Seven Spirits of God. It has to come through the Power of the Holy Spirit – and us fervently and sincerely praying for it! The only reason I am able to share any of these things is because of God exposing these things to me, and the way I used to be – and then very seriously dealing within my own heart and life!

Like how do you share all these things with all that is being preached and taught in today's church and society?? This is why I say the messages are not my own -- they are what the Lord has spoken to me and clearly exposed to me from my own failures, and into my life during the past 50 plus years. Most people today are ignorant of all that the Book of the Revelation truly has to say to the church, about the church and what God is saying in the prophecies and the messages in that book. But He does say --

"Blessed are they that are not only able to read properly with their eyes being opened to the truths and the mysteries of God's word (the hidden manna), but they hear, and do, keep the sayings or obey the prophecies written in that book, for the time is at hand (here now): PRESENT TENSE EVER SINCE John wrote it!"

Here's the message re: Revelation 6:1-4 in a nut shell with what the Lord said to me last evening (May 6, 2009): **“The Plan of God’s Salvation was all sealed up until Jesus was able to loose the Seven Seals.”**

The first seal – was the Gospel of Jesus Christ going forth to conquer, the rider of the white horse has a crown upon his head – He is crowned with the Life of God: this is none other than the Gospel of Jesus Christ the Son of God going forth to conquer hell and death in the lives of God’s people. The bow in his hand; without the arrows are a symbol of peace! We do not carry arrows - it is those in the enemy camp that shoot the arrows – that is why we need the shield of faith and the whole armor of God. When the disciples wanted to call fire down from heaven – Jesus rebuked them and said “You do not know what spirit you are of.” We come with the Gospel of Peace, **but that peace is not found on or in the earth – that peace is received out of the heavens, even as we are called to be seated with Christ in the heavenly realms.**

The white horse is released from the heavens – Revelation 5, 6:1-2 and also 14:5-6. John the apostle cried when there was no one worthy to loose the seven seals until he saw the Lamb of God – for it was only the Lamb of God that made it all possible. Had Jesus called on 10,000 angels to destroy the world while hanging on the cross – the plan of salvation would have been thwarted (Matthew 26:53). Prior to the cross, **“He wept and sweats great drops of blood in the garden – asking the Father, to take this cup from Him”** – the separation that would come when the sins of the world would be upon Him, and God would turn his face away from His

Son – which never has been between Him and the Father. – ***“But never the less” He prayed – “Not my will but yours be done”!***

Hebrews 6:1 “The principles of the Doctrine of Christ”:

“Therefore leaving the principles of the doctrine of Christ, let us go on unto perfection;”

1. The white horse and his rider: *“The foundation of repentance from dead works, and of faith toward God,”* In Revelation 14:6-7 ***“And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people, ⁷Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters.”***

Please do not ever put in the book of the Revelation of Jesus Christ that the white horse – symbolic of the Righteousness of the Father is the antichrist – you will be blaspheming God’s name and His plan of salvation!

In Revelation 22 we are warned not to add to the words by our own interpretations, and our own undoing – for He will also add the plagues written in the book – when we disobey God – we bring problems into our lives that need to be **avoided like the plagues!** When we disobey we cause the Living Christ - the Living Word to become the dead letter of the word – which brings death and a state of hopelessness as well as all sorts of problems into the life of God’s people!

Then if we continue to disobey and still not seeking the Revelation of Jesus Christ, then we also are warned that if we add our own interpretations into the book called the Revelation of Jesus Christ – or if we take away from what it is saying in the book - we stand in danger of the Lord taking our name out of the book of Life. The Fear of the Lord is the beginning of Wisdom! Let us hold the book in the Fear of the Lord – and respect what is written in that book. Believe God’s prophet and you shall come into His life and live! Outside the Crucified life of the believer we begin to see the devastations described in the other seals, as well as the seven trumpets and the seven bowls! Let us not kid ourselves without the crucified life, and without that seed – our own lives

falling into the ground and dying, the Father is not able to raise us up into the newness of the life that He desires to impart into us, not to the fullness: but we will continue to be struggling in our own feeble efforts and in the wisdom of man instead of standing in the wisdom of God! Let us not kid ourselves – we have played church long enough – says the Spirit of the Living God.

2. The next truth has to do with - The second seal – “The red horse and his rider, and a great sword was given unto him taking peace from the earth” Salvation comes into earthen vessels – then Jesus says **“I have not come to send peace on the earth: but a sword.”** (Matthew 10:34) Only in the crucified life abiding and living in Him all through the baptism of the Holy Spirit –, do we find the peace that passes all understanding: **“My peace I give to you, not as the world gives - give I it unto you”** (John 14:11-18, 26-27).

Matthew 10:5-42 Covers the topic of the great sword that Revelation 6:3-4 is talking about. Next to salvation comes persecution – Believe me there is no persecution when the churches are dead – and the witness of the Gospel is not Red Hot with the Fire of God. Do we in the flesh create persecution for our selves – **heaven help us!** The next test God has initiated for the believer to come into perfection – to be made mature in Christ – comes by persecution, **“For through much tribulation we will enter God’s kingdom”!** **Acts 14:22**

It is all in the process, and part of His plan. First being baptized into His death, and then raised into the newness of His life through the baptism of Fire all in the Power of the Holy Spirit!

As a young man in my early 20’s I was excited when in 1969 I was getting persecuted for the sake of the Gospel: and it was coming through my brother who found me in Austria when I was 9 years old, and brought me to Canada. What a privilege I thought: **“To be persecuted – no different than what the Apostles of Christ went through – to be persecuted and to be counted worthy - to be counted with them!”** I was excited – and even thought what an honor it was to be persecuted in front of friends and relatives: but once I was pounced on by my older brother 15 years older than me: who was like a wild beast - my grace only lasted maybe 15

seconds. That is what happens when people do not have either the revelation of Jesus Christ in their heart, and no maturity that I needed so badly and that I needed to learn and grow in, and which God still needed to teach me later on! Also we need the revelation with discernment that when the enemy is there to attack us – is it God’s will for this to be happening to us, or is it God’s will for us to rise up and to take authority over the evil one that wants to tear your head off – as it was in my case.

This entire situation – has to do with death to self and the crucified life.

The A Brief Summary of the Seven Seals:

1. Salvation - Receiving Christ – the wonderful and glorious experience of being born again!

2. The divisions that come - and the battle that is designed to take peace from the earth – from a person’s heart and life, and the reproach that comes from serving the Lord – as the Lord begins to teach us His ways.

3. The darkness of the soul – and yet touch not the oil (the anointing) and the wine. We are weighed in the balance with God. Our commitment and desires to be founded only in Him!

4. Death and Hell following those that are overtaken by evil instead overtaking the evil with God’s Good manifested in them: These being waged by the many tests and trials that come – with famine, the sword (word of God being tried in us), the beasts of the earth (God wanting to bring that beast nature in all of us to a final death blow, as we are ourselves faced with that old nature in the lives other people who are not sanctified and not walking with the Lord like they should be) are all test and trials being waged against us with the full intent to bring the persons soul into nothingness and into the crucified life even as we find in the Fifth Seal -

5. The souls that are now slain and under the golden altar of God – These are those that have finally come into nothingness and the crucified life – and they await the great day of recompense and their great reward!

6. Is where all the natural lights now become darkened to those that have been so dependant on them and not on the Living

Christ that gave Himself as the ultimate sacrifice! These all experience the Great Shakings of God and these all go through the judgments and they are not able to escape the horrors of what they have done and by rejecting Christ – they do everything to try and escape the Wrath of the Lamb! These are the ones that never built their lives on the solid foundation: The Revelation of Jesus Christ made manifest in flesh, in them – Upon this Rock said Jesus I will build My church and the gates of hell shall not prevail against it!

Instead of choosing Christ Jesus in them the hope of Glory in them – they have chosen the harlot systems of men, and or the being more the lovers of pleasure than the lovers of God! The fame and all that Babylon the Great has to offer them (Revelation 18) – the Gold the Girls (lust of the flesh, the eyes and the pride of life) – and the Glory! Not realizing that all the glory belongs to the Lord!

7. Is the seal where the servants of the Lord are sealed in their foreheads, they have come through the resurrection of the dead, and they are sealed with the mind of Christ in them – “They only do those things that they – like Jesus – see the Father doing!” The 144,000 represent the Government of God!

Twelve is the number for God’s government, and 12 times 12,000 climaxes with the rest of the chapters that follow including the dialogue between the Apostle John and the Elder in Revelation chapter 7:9-17 and glorious victory we are able to also enjoy in the Lord down here on earth – present tense truths, that are in many places written for our instruction, edification and comfort. The book of Revelation is first and primarily written to those who are called to be true leaders of God’s people – “They are called to be the first-fruits unto God:” Because their lives influence and effect the many that are called, but when it come to those who truly overcome - few are chosen!

Revelation 20:4-6 - Only those who overcome are included in the first resurrection to rule and reign with Him for a thousand years – the rest of the dead lived not again until the thousand years are over. But I also want to share that we are all called! We are all called into the ministry of reconciliation and to love one another, and into the fullness and the stature of Jesus Christ. And we are all called to be priests and kings unto Him – unto His Glory, Praise and to the place and position where we truly learn to Honor both the Father and His Son!

AND AFTER ALL IS SAID AND DONE – WE FIND IN 1Corinthians 13:1-3 – “That even if I speak with the tongue of men and of angels (speaking in tongues), And have the gift of prophecy and understand all mysteries, and all knowledge; and though I have all faith, so that I can remove mountains – if I do not have the proper revelation and/or relation with the Father and with His Son – and the Purity of God’s Love motivating my life from within me – It all profits me nothing! And though I give my body to be burnt and give everything I have to feed the poor – if I do not have that proper God given revelation and/or relationship with the Father and with His Son – again it all profits me nothing.”

The Fear of the Lord is the beginning of wisdom and “The only area you will ever be perfected in – says the Lord - is in the Love of God.” Those words given to me in 1992 – before we moved back to Abbotsford, BC from Toronto.

I am very careful to share only the messages the Lord has specifically spoken to me: I hope and trust you do not mind me sharing this with you. Thank you and God bless you, D. Jakab

CHAPTER 3: PEARL HARBOR for THE CHURCH A Vision - by James Kehrli.

In December of 1984, about a week after I purchased an old 1940 Cadillac sedan, I was driving around thinking about times gone by, particularly the time before and during World War II. Suddenly I

heard the Lord say to me, very softly, "It's 1940 and Pearl Harbor is coming up for the Church." I thought about betrayal, warfare, death and awakening! I prayed to the Lord about it and He began to reveal to me more about Pearl Harbor. He reminded me of a scene from the film "Tora Tora Tora" in which one of the Japanese military leaders remarked, after their attack on Pearl Harbor, "I fear all we have done is to awaken a sleeping giant and fill him with a terrible resolve." I thought about the Church finally waking up to her true condition. I thought about the terrible price our country paid, in the 1940's to wake up to the realities of the world political situation. The price was human life, suffering, and destruction. But we did wake up. I thought about December 8, 1941 when we declared war against the Axis powers. Before that time we were sending arms, supplies and money to our allies, but we were not sending men to help fight. We watched China, the Pacific Islands, France and much of Europe fall to Germany, Italy, and Japan, but we were not personally affected so we did not enter the warfare. It took a catastrophic event to wake us up.

I prayed about and meditated on what I had heard until May of 1985, when I again heard from God during a baptismal service in our Church. The person to be baptized was an older lady who was quite concerned, even a little frightened, about being fully immersed. But she, after fifty years of disobedience and rebellion against God, desired to be baptized for the first time. Right before I was going to enter the water with her, a message in tongues came forth from my wife. The Lord gave me the interpretation by means of the following vision. This vision describes a future time of great hardship and great blessing for the Body of Christ.

He showed me a deep harbor with blue-green water that was clear and calm. There was a Person in the water. This Person was not swimming or standing, but just floating in an upright position. He was motionless, like a sailing ship listing in a windless sea. Many Japanese Zero aircraft came in from the east and proceeded to dive-bomb and strafe the body in the water and the body began to slowly sink. Eventually the body was entirely under the water. As he went down, I could see that there were many little people on

this Body. As this Body sank deeper into the water, many of these small people jumped off just before they were about to enter the water. There were thousands of people jumping off and swimming away from this slow but steadily sinking Body. Some of these people jumped onto beds, which the Lord made clear to me were beds of adultery, and floated away off to the left. Others jumped onto whiskey bottles and paddled away; still others jumped on books, while others swam off on their own strength. All of the people were floating, swimming or paddling in the same direction. I looked over in that direction, which was to my left, and I saw an extremely beautiful, gigantic woman, with skin and clothing of a deep reddish purple hue standing solidly on the harbor floor. She stretched out her arms toward the sinking Body and got the attention of many as she very sweetly, seductively, and sincerely called out, "Come unto me all ye that are weary and heavy laden, and I will give you WHAT YOU WANT!"

The people who were jumping off were in a panic, like rats leaving a sinking ship. Some scurried to higher ground on the Body, going from the shoulders to the ears and finally jumping off the top of the head right before it went under. It was clear that **THEY DID NOT WANT TO LEAVE THIS BODY**, but it was equally clear that they were not going down under the water with it either. The Body now was completely under the water, sinking steadily toward the bottom. Some of the little people hung on as it sank, but after a few seconds of holding their breath, they gave up, swam for the top, gulped a mouth full of air, and swam off toward the woman.

The apparently lifeless Body sank deeper and deeper into the clear blue-green water. As it sank I could see at the bottom of the harbor a beautiful, large, perfect pearl - obviously of great value. It was supernaturally large and beautiful, lustrous, pure and round. As I watched, I could see the Body change shape from that of a single being, with little people desperately hanging on it, to many little individual people swimming deep enough to get to this beautiful Pearl. As they went deeper, many chose to quit and swim to the surface for air and life and then go over to the beautiful

woman. All who quit diving eventually swam over to the beautiful woman.

Finally, I saw a number of these small people swim to the Pearl and touch it, and embrace it. But to do this, everyone who dove down reached a point when they realized that their own natural ability to hold their breath and dive deeper would not be enough. Those who dove down and touched this Pearl all came to understand that they would have to expend all of their natural strength before they touched and embraced the Pearl of Great Price. This did not keep them from diving down though, because the closer they got to the Pearl, the more of His beauty they saw. I saw many touch and embrace the Pearl and then immediately shoot straight up. As each of these little people shot up from the floor of the Harbor, each had the Pearl. As this group of individuals rose higher and higher, they all became one Body again. By the time these Pearl-laden people reached the surface they burst forth from the waters as one Body, the Body of Christ. These people were manifestly His own possession and they in turn possessed the Pearl of Great Price, Jesus Christ Himself.

As the Lord was showing me this beautiful picture, He spoke to me and said, "Even as Jesus came out of the waters of baptism, so My Body will come out of Pearl Harbor with a new and powerful anointing of My Holy Spirit, and a new and deadly power to fight the enemy." He said that there indeed would come upon the Church of Jesus Christ a Pearl Harbor experience like the United States experienced on December 7, 1941. He said that when the Body of Christ begins to sink under the water, because of a soon-coming, devastating attack of the enemy, MANY will choose to desert our Lord Jesus Christ because they do not esteem the Pearl of Great Price (Jesus Himself) worth the price - death to their own selfish desires. They will not make the selfless effort of love to dive deeply enough to embrace Him because they do not love Him more than their own lives. Many will choose not to identify with what they assume is a defeated individual or group. They look upon themselves as winners and will not identify with a Jesus that is apparently being defeated. They will choose to identify with the

beautiful woman of the harbor who gives them what they want. As the vision revealed, many who leapt off the sinking Body because the woman of the harbor promised them success. Because of this they went to her. Many others did not feel that it was necessary to pay such a high price to apprehend Jesus, and they felt that the beautiful woman would give them Jesus on their own terms.

As the Body of Christ came out of the waters of death, the Lord said that His Body was now fully alive and would now fight the enemy with purpose and real anointing. Also His Body would now use only supernatural weaponry. He spoke so clearly to me about the weapons.

He said, "Even as the United States entered the Second World War using conventional weapons to fight the enemy, and ended the war with the atomic bomb, a weapon beyond their comprehension; so My people will begin this spiritual war with conventional weapons in the Spirit, but by the end of this war to end all wars, they will be using atomic bombs of the Spirit". The Lord made it clear that we will come out of the water equipped with God-given anointing to REALLY heal the sick, work miracles, and deliver those in demonic bondage. He also made it clear that before the warfare ends, we will be moving in a dimension of spiritual warfare that is unimaginable to us now. We will do greater works than Jesus did and we will see the demon hordes routed like never before.

After this message in tongues and interpretation was given, my attention turned back to the woman who was to be baptized. Then the Lord said that the Pearl Harbor experience for His Church would be similar to this woman's baptism. I closely watched this baptism to see what the Lord meant. The woman was very nervous and quite afraid of going under the water. I assured her that she would be all right. After several moments of prayer and a short teaching on what baptism represented, she was plunged underneath the water. She came out of the water with her hands lifted up, praising God. I had not told anyone what the Lord told me about this woman's baptism, because I did not know exactly

what was going to happen. When she recovered her composure, she began to testify about what had just happened to her. She said that she was extremely fearful at first, but that when she got under the water a Beautiful Peace swept through her, and all her fear was gone. This beautiful peace became joy as she came out of the water and she praised God for His great comfort, love and mercy.

I believe that God was showing us that we need not fear what He will put us through. His purpose is to bring us peace, joy, cleansing and power. He was also showing us that His Church will go through a baptism. It is a baptism of the Body of Christ. It is a death and a resurrection. We must trust Him to bring us out of this watery tomb of death and into the glorious resurrection power of His Son. We must understand that a harbor is a place of SAFETY and REFUGE. God's people who are involved in these events will need to be safe and protected. The Harbor of the Pearl of Great Price is the only harbor that will provide refuge and safety, and ALL who believe will be more than willing to pay the price of dying to their own desires.

Pearl Harbor is the death and resurrection of the Body of Christ, being prepared to do His work in His way, with His heart. It is the final separation of David from Saul - the David Church being purified and separated from the Saul Church.

It is the final AWAKENING blast of the trumpet of God to rouse His people for battle. It is the judgment that begins with the house of the Lord. It is the refining fire that separates the gold from the dross. It will be preceded by the Lord dealing with His true people to both survive and desire this final preparation for battle. It is the promise of unmatched power and purity: power over sin, power over the enemy, power to live a much more virtuous life, and power to glorify our Heavenly Father through Jesus Christ by the power of the Holy Spirit. Even now, God is dealing with those in the David Church even as God dealt with David. Whenever David would start to fall asleep to God's purity and purpose, the Lord would abruptly DEAL with David to AWAKEN him. God did not waste this kind of effort on Saul because Saul CHOSE to

be asleep to God and His desires.

Pearl Harbor is a warning of betrayal and disaster. The Church in the past has gone through many Pearl Harbors of betrayal and disaster. Jesus was betrayed and killed and rose again. English Puritans experienced Pearl Harbor in the early 17th century and survived because they could not obey the law that the Church of England tried to force them to obey. They fled England and eventually sailed to the New World, where they laid the spiritual foundation for what eventually became one of the greatest revivals in the history of the world. John Bunyan, wrote Pilgrim's Progress at the bottom of the harbor as he was betrayed by his own country and thrown in jail for not attending the services of the

Church of England and for preaching in a way that did not conform to this church's liturgy. Had he given in and done that which they asked he could have been a free man. But for conscience' sake he chose not to do so. Because of this uncompromising obedience to the Scriptures and to God Himself, he was able to rise to the highest place in the history of Christian literature. Today he still blesses us with the fruit of that resurrection power.

To those who are not awake and prepared, Pearl Harbor will come suddenly and tragically, as a thief in the night, and they will be swept away to Great Deception. To those who are more open to the will of God than they are to pleasing religious men, it will be an expected ordeal, a call to arms, and a prelude to great victory. The initial stages will be the harbinger of the greatest move of God in history: the greatest Revival and the greatest manifestation of Christian Unity that the world has ever known.

Yes you have my permission to post these messages and pass them on! Blessings!

CHAPTER 4: VISION OF THE BODY OF CHRIST AND THE END-TIME MINISTRIES

The following in Chapter 4, is a stunning vision given to American preacher Tommy Hicks in 1961 – in Winnipeg,

Canada (Tommy was a major figure in the powerful 1954 Argentina Revival).

My message begins July 25, about 2:30 in the morning at Winnipeg, Canada. I had hardly fallen asleep when the vision and the revelation that God gave me came before me. The vision came three times, exactly in detail, the morning of July 25, 1961. I was so stirred and so moved by the revelation that this has changed my complete outlook upon the body of Christ, and upon the end-time ministries.

The greatest thing that the church of Jesus Christ has ever been given lies straight ahead. It is so hard to help men and women to realize and understand the thing that God is trying to give his people in the end times.

I received a letter several weeks ago from one of our native evangelists down in Africa, down in Nairobi. This man and his wife were on their way to Tanganyika. They could neither read nor could they write, but we had been supporting them for over two years. As they entered into the territory of Tanganyika, they came across a small village. The entire village was evacuating because of a plague that had hit the village. He came across natives that were weeping, and he asked them what was wrong.

They told him of their mother and father who had suddenly died, and they had been dead for three days. They had to leave. They were afraid to go in; they were leaving them in the cottage. He turned and asked them where they were. They pointed to the hut and he asked them to go with him, but they refused. They were afraid to go.

The native and his wife went to this little cottage and entered in where the man and woman had been dead for three days. He simply stretched forth his hand in the name of the Lord Jesus Christ, and spoke the man's name and the woman's name and said, "In the name of the Lord Jesus Christ, I command life to come back to your bodies." Instantaneously these two heathen people

who had never known Jesus Christ as their Savior sat up and immediately began to praise God. The spirit and the power of God came into the life of those people.

To us that may seem strange and a phenomenon, but that is the beginning of these end-time ministries. God is going to take the do-nothings, the nobodies, the unheard-of, the no-accounts. He is going to take every man and every woman and he is going to give to them this outpouring of the Spirit of God.

In the book of Acts we read that "In the last days," God said, "I will pour out my Spirit upon all flesh." I wonder if we realized what he meant when God said, "I will pour out my Spirit upon all flesh." I do not think I fully realized nor could I understand the fullness of it, and then I read from the book of Joel: "Be glad then, ye children of Zion, and rejoice in the Lord your God: for he hath given you the former rain moderately, and he will cause to come down for you the rain, the former rain, and the latter rain - " (Joel 2:23). It is not only going to be the rain, the former rain and the latter rain, but he is going to give to his people in these last days a double portion of the power of God!

As the vision appeared to me after I was asleep, I suddenly found myself in a great high distance. Where I was, I do not know. But I was looking down upon the earth. Suddenly the whole earth came into my view. Every nation, every kindred, every tongue came before my sight from the east and the west, the north and the south. I recognized every country and many cities that I had been in, and I was almost in fear and trembling as I beheld the great sight before me: and at that moment when the world came into view, it began to lightning and thunder.

As the lightning flashed over the face of the earth, my eyes went downward and I was facing the north. Suddenly I beheld what looked like a great giant, and as I stared and looked at it, I was almost bewildered by the sight. It was so gigantic and so great. His feet seemed to reach to the North Pole and his head to the south. Its arms were stretched from sea to sea. I could not even

begin to understand whether this be a mountain or this be a giant, but as I watched, I suddenly beheld a great giant. I could see his head was struggling for life. He wanted to live, but his body was covered with debris from head to foot, and at times this great giant would move his body and act as though it would even raise up at times. And when it did, thousands of little creatures seemed to run away. Hideous creatures would run away from this giant, and when he would become calm, they would come back.

All of a sudden this great giant lifted his hand towards heaven, and then it lifted its other hand, and when it did these creatures by the thousands seemed to flee away from this giant and go into the darkness of the night.

Slowly this great giant began to rise and as he did, his head and hands went into the clouds. As he rose to his feet he seemed to have cleansed himself from the debris and filth that was upon him, and he began to raise his hands into the heavens as though praising the Lord, and as he raised his hands, they went even unto the clouds.

Suddenly, every cloud became silver, the most beautiful silver I have ever known. As I watched this phenomenon it was so great I could not even begin to understand what it all meant. I was so stirred as I watched it, and I cried unto the Lord and I said, "Oh Lord, what is the meaning of this." and I felt as if I was actually in the Spirit and I could feel the presence of the Lord even as I was asleep.

And from those clouds suddenly there came great drops of liquid light raining down upon this mighty giant, and slowly, slowly, this giant began to melt, began to sink itself in the very earth itself, and as he melted, his whole form seemed to have melted upon the face of the earth, and this great rain began to come down. Liquid drops of light began to flood the very earth itself and as I watched this giant that seemed to melt, suddenly it became millions of people over the face of the earth. As I beheld

the sight before me, people stood up all over the world! They were lifting their hands and they were praising the Lord.

At that very moment there came a great thunder that seemed to roar from the heavens. I turned my eyes toward the heavens and suddenly I saw a figure in white, in glistening white - the most glorious thing that I have ever seen in my entire life. I did not see the face, but somehow I knew it was the Lord Jesus Christ, and he stretched forth his hand, and as he did, he would stretch it forth to one, and to another, and to another. And as he stretched forth his hand upon the nations and the people of the world - men and women - as he pointed toward them, this liquid light seemed to flow from his hands into them, and a mighty anointing of God came upon them, and those people began to go forth in the name of the Lord.

I do not know how long I watched it. It seemed it went into days and weeks and months. And I beheld this Christ as he continued to stretch forth his hand; but there was a tragedy. There were many people as he stretched forth his hand that refused the anointing of God and the call of God. I saw men and women that I knew. People that I felt would certainly receive the call of God. But as he stretched forth his hand toward this one and toward that one, they simply bowed their head and began to back away. And each of those that seemed to bow down and back away, seemed to go into darkness. Blackness seemed to swallow them everywhere.

I was bewildered as I watched it, but these people that he had anointed, hundreds of thousands of people all over the world, in Africa, England, Russia, China, America, all over the world, the anointing of God was upon these people as they went forward in the name of the Lord. **I saw these men and women as they went forth. They were ditch diggers, they were washerwomen, they were rich men, they were poor men.** [Bruce this is what I was talking to you about on Friday evening in Mission August 7, 2009] **I saw people who were bound with paralysis and sickness and blindness and deafness. As the Lord stretched forth to give them this anointing, they became well,**

they became healed, and they went forth! [The promise to that young man Dan Lewis, our children's friend from early 1980s who has been now paralyzed for 20 years and has been on life supports since he was 18 years of age – the messages the Lord has given to him and his parents and us as well as others, in visions and dreams etc., is exactly what is being described here!]

And this is the miracle of it - **this is the glorious miracle of it** - those people would stretch forth their hands exactly as the Lord did, and it seemed as if there was this same liquid fire in their hands. As they stretched forth their hands they said, "According to my word, be thou made whole."

As these people continued in this mighty end-time ministry, I did not fully realize what it was, and I looked to the Lord and said, "What is the meaning of this?" And he said, "This is that which I will do in the last days. I will restore all that the cankerworm, the palmerworm, the caterpillar - I will restore all that they have destroyed. This, my people, in the end times will go forth. As a mighty army shall they sweep over the face of the earth."

As I was at this great height, I could behold the whole world. I watched these people as they were going to and fro over the face of the earth. Suddenly there was a man in Africa and in a moment he was transported by the Spirit of God, and perhaps he was in Russia, or China or America or some other place, and vice versa. All over the world these people went, and they came through fire, and through pestilence, and through famine. Neither fire nor persecution, nothing seemed to stop them.

Angry mobs came to them with swords and with guns. And like Jesus, they passed through the multitudes and they could not find them, but they went forth in the name of the Lord, and everywhere they stretched forth their hands, the sick were healed, the blind eyes were opened. There was not a long prayer, and after I had reviewed the vision many times in my mind, and I thought about it many times, I realized that I never saw a church, and I

never saw or heard a denomination, but these people were going in the name of the Lord of Hosts. Hallelujah!

As they marched forth in everything they did as the ministry of Christ in the end times, these people were ministering to the multitudes over the face of the earth. Tens of thousands, even millions seemed to come to the Lord Jesus Christ as these people stood forth and gave the message of the kingdom, of the coming kingdom, in this last hour. It was so glorious, but it seems as though there were those that rebelled, and they would become angry and they tried to attack those workers that were giving the message.

God is going to give the world a demonstration in this last hour as the world has never known. These men and women are of all walks of life, degrees will mean nothing. I saw these workers as they were going over the face of the earth. When one would stumble and fall, another would come and pick him up. There were no "big I" and "little you," but every mountain was brought low and every valley was exalted, and they seemed to have one thing in common - there was a divine love, a divine love that seemed to flow forth from these people as they worked together, and as they lived together. It was the most glorious sight that I have ever known. Jesus Christ was the theme of their life. They continued and it seemed the days went by as I stood and beheld this sight. I could only cry, and sometimes I laughed. It was so wonderful as these people went throughout the face of the whole earth, bringing forth in this last end time.

As I watched from the very heaven itself, there were times when great deluges of this liquid light seemed to fall upon great congregations, and that congregation would lift up their hands and seemingly praise God for hours and even days as the Spirit of God came upon them. God said, "I will pour my Spirit upon all flesh," and that is exactly this thing. And to every man and every woman that received this power, and the anointing of God, the miracles of God, there was no ending to it.

We have talked about miracles. We have talked about signs and wonders, but I could not help but weep as I read again this morning, at 4 o'clock this morning the letter from our native workers. This is only the evidence of the beginning for one man, a "do-nothing, an unheard-of," who would go and stretch forth his hand and say, "In the name of the Lord Jesus Christ, I command life to flow into your body." I dropped to my knees and began to pray again, and I said, "Lord, I know that this time is coming soon!"

And then again, as these people were going about the face of the earth, a great persecution seemed to come from every angle.

Suddenly there was another great clap of thunder, that seemed to resound around the world, and I heard again the voice, the voice that seemed to speak, "Now this is my people. This is my beloved bride." And when the voice spoke, I looked upon the earth and I could see the lakes and the mountains. The graves were opened and people from all over the world, the saints of all ages, seemed to be rising. And as they rose from the grave, suddenly all these people came from every direction. From the east and the west, from the north and the south, and they seemed to be forming again this gigantic body. As the dead in Christ seemed to be rising first, I could hardly comprehend it. It was so marvelous. It was so far beyond anything I could ever dream or think of.

But as this body suddenly began to form, and take shape again, it took shape again in the form of this mighty giant, but this time it was different. It was arrayed in the most beautiful gorgeous white. Its garments were without spot or wrinkle as its body began to form, and the people of all ages seemed to be gathered into this body, and slowly, slowly, as it began to form up into the very heavens, suddenly from the heavens above, the Lord Jesus came, and became the head, and I heard another clap of thunder that said, "This is my beloved bride for whom I have waited. She will come forth even tried by fire. This is she that I have loved from the beginning of time."

As I watched, my eyes suddenly turned to the far north, and I saw seemingly destruction: men and women in anguish and crying out, and buildings in destruction. Then I heard again, the fourth voice that said, "Now is My wrath being poured out upon the face of the earth." From the ends of the whole world, the wrath of God seemed to be poured out and it seemed that there were great vials of God's wrath being poured out upon the face of the earth. I can remember it as though it happened a moment ago. I shook and trembled as I beheld the awful sight of seeing the cities, and whole nations going down into destruction. I could hear the weeping and wailing. I could hear people crying. They seemed to cry as they went into caves, but the caves in the mountains opened up.

They leaped into water, but the water would not drown them. There was nothing that could destroy them. They were wanting to take their lives, but they could not. Then again I turned my eyes to this glorious sight, this body arrayed in beautiful white, shining garments. Slowly, slowly, it began to lift from the earth, and as it did, I awoke. What a sight I had beheld! I had seen the end-time ministries - the last hour. Again on July 27, at 2:30 in the morning, the same revelation, the same vision came again exactly as it did before.

My life has been changed as I realized that we are living in that end time, for all over the world God is anointing men and women with this ministry. It will not be doctrine. It will not be a churchianity (religious system of men). It is going to be Jesus Christ. They will give forth the word of the Lord, and are going to say, "I heard it so many times in the vision **and according to my word it shall be done.**"

CHAPTER 5: Being Caught Up

Desi Jakab Abbotsford, B.C. Canada June 08, 2009

A Friend forwarded an article re; the rapture re: pre trib, post trib and past trib: -- and here is my reply through the Grace of God! From Brother Desi Jakab (address below)

Back in the early 1970s my Friends and I used to argue -- who is the Antichrist? Rapture, mid-tribulation, post-trib, pre- trib: most all of the friends have all died some as far back as the mid 1990s and those topics never brought anyone into the true and knowing relationship with the Son of God. I have learned to seek Him - His Life - His Word becoming manifested in flesh - in us and dwelling amongst us -- to the extent where we can behold His Glory in our own lives -- the total transformation of heart and mind and life - and to be conformed into the image of God's Son. "When the Word becomes flesh - He dwells amongst us" and we behold the Glory of God's Son manifested in us - full of His Grace and Full of Truth -- the Truth and the grace is Him manifested in us -- as the only begotten of the Father full of Grace and Truth -- His Word is Truth..

We can study all of our life studying the raptures and yet do I know what it is for me to be caught up into the Glorious Life of the Son of God made manifested in flesh -- in me?

I have been through great tribulation, the Apostles of Christ lived in great tribulation -- who were these that were before John and before the Elder in Revelation chapter 7 -- "These are they that have come out of great tribulation -- this world is a place of great tribulation -- and they have washed their robes in the blood of the Lamb -- and He will dwell with them (with us) I will be their God and I will lead them forth into rivers of living waters - and they will thirst no more. These are all present tense truths for the here and now. I will be their God and they shall be My People..."**Revelation 7:13-17**

Smith Wigglesworth - the great anointed preacher of the 20th century -- who walked with God like none other in the flesh in the last Century describes the Rapture this way: --

Being caught up in God into the order of God's life and anointing "The Power of Faith" - Whitaker House -- Messages preached by Smith -- Romans 5:12-15, 16-17 : Through one man's disobedience through one man's sin

death came and reigned Then another - Jesus came. - Adam was the first man; Christ was the second. One was earthly, the other heavenly. The Christ-man in us (manifested in flesh) -- the word of God written on the fleshly tables of our heart will make us and awake us into all righteousness, peace and abounding in God. Just like when death had power through the disobedience of a man (Adam) LIFE HAS TO HAVE ITS POWER AND VICTORY. Through the God-man, Christ manifested in the flesh in us - we come into a New Divine Order.

The natural mind and understanding cannot grasp this truth - - only because it is a thousand times bigger than the natural mind of man. But Christ's mind replanted or transplanted into our heart and mind - our natural order will give us a vision so that we may see what we have not been able to understand. What we do not understand -- when it comes to the fullness of His revelation and relationship in us manifested in us - God thoroughly understand: and He will bless you and I abundantly.

1 Thessalonians 4:17, tells us "the dead in Christ will rise first (Were they truly crucified and dead in Christ, were they overcomers? -- through the blood of the Lamb, the word of their testimony and they loved not their lives unto the death - the death of the cross the crucified life)? For Revelation chapter 20:4-6 tells us "Blessed and holy is he that has part in the first resurrection!" Also, Revelation 14:12-13 - They have come into a rest from their own labors, they are crucified with Christ -- and have come into Rest -- and their works wrought in their life in God (by the transformation of the old life and old nature into the newness of His life and into the trueness of the image of Christ in them) and the works of God in their life does follow them. (Paraphrased to bring out the true meaning). -

Why do I say that -- only because of the rest of the verse in Thessalonians says: "The dead in Christ shall rise first and

those of us who are Alive (in the trueness and in the image of Jesus Christ made manifest in flesh in us) AND remaining - again remaining In Him -- abiding in us and us in Him - we shall rise to meet the Lord in the air" -- "Will I find faith in the earth when I come?"

What a blessing when God can give to us through total surrender and a proper knowing relationship the “hidden manna of God's Word”: Imparting His very person and life into us, and to **“Give God’s people pastors according to His heart – so that we can feed God’s people with knowledge and understanding that we have also received.”** Jeremiah 3:15

Back to Wigglesworth: We know how sin was abounding, how we were held in bondage to sin, how we were defeated, how we groaned and travailed, in the misery of it all. Sin has abounded, But Now we have His Grace - "The fullness of Grace" Now it is the New Life Now the ministry of Christ abounds to us and in us.

Friends take a leap that you may never know what defeat is any more. This is a real divine healing chapter (Romans 5) this is a real ascension chapter; this is a powerful resurrection chapter. It looses you from your limitations. It moves you from your former place into a place of COVETED GRACE. It takes your weaknesses and sins and abounds to you and I with Atonement. It reveals to you and I all that Adam ever had that BOUND you and I and all that Christ ever had or will have that ABOUND toward you to liberate you and I both from all that is human and bring you and I into all that is divine. This is the Glorious liberty of the Gospel of Jesus Christ.

We have been condemned and lost. How human nature destroys! We all know sin had its reign, but in Christ we are justified -- as He abides and lives in us and us in Him. It is God who works in the lower order of humanity in us, with His Mighty Power and Higher Order. He touches human weaknesses with His touch of infinite, glorious resurrection

power: and brings us into the transformation of our old life by the newness of Himself and His Life in us.

Back to Revelation chapter 7 and Please Note:

Regarding the 144,000 - 12 thousand from every tribe -- the tribe of Dan is missing. -- Dan means judge, and there is no more judgment to those who overcome: - **Revelation 20:4-6.**

Then also the great multitude **that no man could number** -- 1Corinthians 2 -- exemplifies again the crucified life and also tells us the things of God are spiritually discerned. **My dear brother we do not want to be numbered by man, but we sure need to be numbered by God!**-- For the number of man is 666 the lust of the eyes, the lust of the flesh and the pride of this life here on earth : the flesh, the world and the devil. --- Ten times the book of Revelation refers to those who are earthly -- dwellers on the earth -- they are earth bound -- not seated with Christ in the heavenly realm -- many are called but few are chosen. The many antichrists, the many that will come in His Name deceiving many -- they say I am anointed of Christ - but shall deceive many. Why because the old nature is never crucified and never properly killed -- but that old nature becomes healed in them and continues to live in their lives instead of the new creation of God in them. The trueness of the very image of Jesus Christ made manifest in them -- 1 John 1:7 "If we walk in the light even as He - God the Father - is in the Light, then we have fellowship with one another, (All because our fellowship is with the Father and with His Son) and the blood of Jesus Christ cleanses us from ALL UNRIGHTEOUSNESS" We seek first the Kingdom of God and His Righteousness and all these things are added unto us:

God bless you my brother -- those precious brothers that I used to argue about these great topics many years ago -- came to nothing in their lives and understanding -- only because these things did not edify or glorify either the Living Christ in them or in me: -- Nor did they exemplify the trueness of Jesus in any one of us!

"Upon this Rock (The Revelation of Jesus Christ) made manifest in the flesh in us -- will I build My Church and the gates of hell shall not prevail against IT!" A broken and a contrite heart I will never despise says the Lord. Let us seek Him that He may fill us with all of His fullness of Grace and all the fullness of His Truth -- His Word is Truth -- and it is not truth until it becomes manifested in our own heart - in the true image of Jesus Christ! I share these things in the love of God -- and it is only a drop in the bucket of all that He has prepared for those who truly Love Him. Your brother in Jesus - Desi Jakab

If we hunger and thirst for His Righteousness we shall be filled!

Letters in response to Being Caught Up:

Dear Desi, - June 22, 2009

I just read "Being Caught UP" on End Time Prophetic Vision. Bill Somers has almost all of the prophecies He has given me on his site, I just want to say that this today, thrilled me to no end.

A lady who had written me, started a small group, (6 members) and had read some of the prophecies and urged me to join the group. They are concentrated on one area, but for much of the time it's postings on the antichrist and who they (well, she does most of it) think he is. I had joined the group, but I cannot answer these postings, as my

available time is focused on being in the inner chamber with Him at this time, I see no productiveness in what is being done there. It's sad, because I will receive an email saying, in the subject "WELL WHY HAVEN'T YOU REPLIED ABOUT THIS?" Nothing else, just that in the subject. I can't seem to get her to understand it's not where my focus is, etc.

Your article just brought it home to me, as a confirmation of where I seek my place is..... Of course I did not need confirmation really, for HE gave that to me, but I thoroughly enjoyed 'Being Caught Up'.

A blessed day and future for you and yours in our neighbor country, Canada. I have made some very good friends and devoted to Him, all the way, in Canada. I am surely blessed to know you. Blessings, Olivia Reitz Long

"The enemy can't see those who are hidden in Christ."

Letter - My Reply to Olivia – with her comments in Bold print:

Dear Olivia: Our son and his wife -- just had their second child and her name is Olivia -- welcome to the family!

God has given me prophecies over the past 30 years, and not once has He ever spoken to me about the Anti-Christ out there in the world -- for there are many antichrists -- they are people who's natures are against the anointing of Christ: "Many wolves dressed in sheep's clothes" who are the many that have come saying they are anointed of Christ but their inward natures have never been truly transformed into the likeness and image of Jesus Christ -- and they are deceiving many to follow their evil, and injurious ways!

Olivia's Comments: **[In fact, if they search the scriptures, from what I see, there are but few of them about the Anti-Christ and all in one book and every one but one speaks of the anti-Christ spirit, from what I see. Unfortunately this small group, the**

person running it still sends more and more about it cementing who she believes him to be, our president. It's a distraction, for me, I am certain of that, and about everything she sends, and it's non-stop from morning to night, well let's just say, my delete button gets a good work out.]

Olivia please take a look at www.ETPV.org November 20 or Nov. 22, 2008 - Desi Jakab - you will find some of the prophecies very clearly outlining the past and future history of the world events -- meaning some have been fulfilled -- the Great Changes coming to the Soviet Union and Iron Curtain Nations -- Etc., Then the judgment of God coming to North America and the rest of the world as well. **[Olivia: "I will check these out shortly. He has shown me about the end times, in fact, about five or so years ago, He talked about this for the greater part of a year, but the prophecies He gives to me is to help encourage and uplift His Faithful Ones as the bumpy road progresses."]** Amen!

God has always spoken to me about Hard Times - "Where All North American Auto Makers and All North American Airlines HAD ALL GONE BANKRUPT" Prophecies and Words and visions given by the Lord on March 24, 1981 - and also that during the hard times brought on by the Economic shake up that is now already here in June 2009 and also yet still coming -- we also will see a genuine restoration of what the last day church is supposed to be like -- no different than what the Early Church was! -- Filled with the Holy Spirit - God's Power and Might and cleansed by the Fire of God's Holy Spirit Divine -- Just like the early church was, and the believers bathed in true Holy Ghost repentance and sanctification -Separated unto God alone! But He also told me that this would not take place until economic hard times come.

And yes I am grateful for Bill Somers for posting several of the things since November 20 or 22nd -- and several others since then. Lately my wife and I have been on the road ministering so I have not been on the Internet or writing new things -- But God has continued to speak to me **amen--** (Another topic I sent in was RE: the Spirit of Haman -- re: the fanatical Moslems - But the truth of

the matter re: especially Revelation 13 -- is this -- and especially Revelation 13:11-18 -- The Lord God of the heavens said to me already back in 1986 October that "the second beast described in those passages are talking about the Workers of Iniquity" -- same as what Jesus and the Apostles of Christ preached in the New Testament. Appearance of a lamb - two horns of a Lamb but speaking with the voice of the enemy-- and doing great signs and wonders -- and the mark of man - is 666 -- lust of the flesh, lust of the eyes and the pride of life -- and also the flesh, the world (wisdom of the world and of this age) and the devil. The Book of Revelation is not all that complicated and will lead us into the overcoming life of the One that Book is Written about -- which is the Revelation of Jesus Christ - not only exposing the truths of God's word, and the Hidden Truths -- the hidden manna - but also exposing the pitfalls, the false, the lies -- and the religious systems of men that work against the knowledge of Jesus Christ and the things that hinder God's people from coming into the fullness of Relationship with both the Father and His Son.

I do have books that I have published over the years -- on a very small and private scale, as not only the prophecies that have been coming to pass very accurately over the past 27 and 30 years - but also the truths contained in the writings of the Apostles of Christ -- If you send me your address I will be happy to send you some of them -- we will not be back home now until second week of July -- but I have some books with me and I will be happy to share them with you and your friends and hopefully they will help them to come to the light --- the beast systems of the world are a distraction to get the focus of God's people off of Jesus -- and they will never bring people to a knowing relationship with the Son of God.. Luke 21:34-36 tells us -- "Watch and pray that we all may be worthy to escape all the things that are coming on the face of the whole earth" - The Lord was not wasting His words in giving us those warnings - Luke 21:25 onward to the 36th verse. The only way we will escape is to behold His Lovely and Precious and Holy Face -- and not looking after the things that are coming on the face of the whole earth. **AMEN!**

The following were spoken to me very clearly this past year:

1. July 2008 - "The economy of God's Kingdom is not dependent on the world's economies. It is dependant on God!"

2. September 2008 - "The reason God is shaking the economies of the World is to shake the world out of the lives of God's people!"

3. A bit earlier: January 2008 "A One day greatest loss is coming to Stock Markets in North America - which will be followed later on by the crash of the Stock Markets" These happened exactly 2 weeks after I had this message published in the Christian News in Langley, British Columbia Canada (Published on September 16, 2008 and the greatest one day loss came on September 29, 2008 followed by several days of tumbling that followed -- **4. The great crash is still ahead.**

5. One more thing I want to share is the Word the Lord spoke to me on May 6, 2009 - **"The Plan of God's Salvation was all sealed up until Jesus was able to loose the Seven Seals in Revelation chapter 5"** and followed by the seven seals being loosed in Chapters 6, etc., Jesus could have aborted the Plan of Salvation prior to the Cross, in the Garden - But His cry to the Father was "Please take this cup from me - Never the less not My will but Yours be done"! And He could have called on 12 legions of angels - or over 10,000 angels and God would have instantly destroyed the world -- But the Love of God was far greater and doing the Father's will was also far greater than anything else!!!!

In the midst of all the chaos that is now in the world -- there is also yet another World War coming -- where not only is Israel going to be attacked - but also the USA - is also going to be attacked.

Man already tried to set up a one world government at the Tower of Babel -- Genesis chapter 11 -- but God literally smashed it to pieces -- and He is also going to do it again -- **In fact all the fuss that is taking place out there is diversion to get the Attention of God's people off the Lord Jesus: Isaiah 9:2-8 - "The increase of whose government and peace there shall be no end."** And It will NOT be the man of sin that old iniquity nature in man - any longer **"Sitting in the temple of God (For you and I are the temples of the living God!) -- showing himself that he is as God" – 2 Thesssalonians 2:3-4 and also Revelation 13:11-18!**

End of Letter to Olivia - God bless you - and please keep in touch-

Regarding the Ministry & Desi and Martha Jakab:

Desi and Martha Jakab have spent the years since July 2000, working with orphans and the poor in Africa. They went to Africa with no support and no wages only trusting in God's faithful provision. Years ago, the Lord taught them to live within their means, and to trust the Lord for everything even their very own existence and so it has been! In 2005 God gave to them the Charity called Feeding the Hungry - Global Ministries. At this present time they have been used by the Lord to help build a small private hospital in a remote area of Malawi: An area that has been devastated the past 7 years by floods and drought - both. The average life span of the people in the area called the Lower Shire is 35 to 36 years of age with many orphans left behind. We have also been partnering with local pastors and churches that are also taking care of and feeding the orphans not only in Malawi but also in Mozambique as well. To help in their ministry and feeding the

poor of the earth - and taking care of the poor widows and orphans - as well as helping to finish the project of a very badly needed facility for the area - the hospital: you are welcome to give generously. We are one of the few ministries where all designated funds go directly to where they are designated. We keep nothing for ourselves!

Because Martha and I live by faith, and we do not take wages for ourselves, we do welcome the gifts sent to this ministry and they are income tax deductible: and they also go directly to where they are designated. We currently have finished the first building of a small hospital in a remote area of Malawi, as well as feeding and taking care of and helping many orphans. **Thank you!**

Love and Blessings in Jesus – Desi and Martha Jakab

We are Pastors and Missionaries to the Poor and the Orphans:

"Many of God's people are Orphaned and Fatherless

when they are not grounded and rooted properly in the

Father and/or in Christ: God's Word made flesh - in us"

Also, "God inhabits the praises of His people – but is that the only thing and all that He wants to inhabit??"

The Lord truly bless you and keep you, and give every single one of us His ears, to hear what God's Holy Spirit is truly saying unto the churches and all that He is truly desiring to impart into the hearts and lives of God's people, and especially those called to lead His people out of Babylon's harlot systems of men, and into the fullness of the stature of Jesus Christ: – Where we are being conformed into the true image - of Jesus Christ - Ephesians 4:11-21 ! - And the leaders to be: "EVEN AS JESUS UNTO THE PEOPLE" Having that God given ability to Feed God's people with KNOWLEDGE and UNDERSTANDING.
