

**Prophecies First Published and Copyrighted in 1982,
And Coming to Pass Very Accurately!
Written by God's friend – Desi Jakab**

There's a Whole Lot of Shaking Going On!

During the week to April 10, 2008 - Five North American Airlines went bankrupt & 4 completely out of business. Four in the US and one in Canada: While several others are in Bankruptcy Protection. American Airlines (the largest airline in the world) is now in serious trouble as well! **Please note the following prophecies:**

The following prophecies were first published and copyrighted in 1982: They contain a warning to all of North America and the World!

The messages I share have been given to me by the Lord God the Creator of Heaven and Earth, and you have my permission to copy this material and pass it on: Desi Jakab

1. Prior to the second coming of Jesus Christ our weather systems will become so drastic that they were determined as it were – to drive man from the face of the earth. Drastic shortage of food will become a reality in many places.

2. Not to leave out the high towers and the fenced in cities (fenced in by the pride of man), thinking that they are OK and not realizing that God sees, and God also knows and God also cares as described in: Zephaniah 1:14-18 as well as Isaiah chapter 2:6-22 & Haggai 2:6-9.

3. The days are soon now upon us when **“All North American Airlines, and All North American Automakers Had All Gone Bankrupt.”**

4. In Ecclesiastes 9:12 we are told: **“As the fish are taken in an evil net, and as the birds that are caught in the snare; so are the sons of men snared in an evil time, when it falls suddenly upon them.”**

5. In 1981, God showed me the “Great Changes that were coming to the Soviet Block countries and all of Eastern Europe and Russia” but with the “Great Changes” there was also a “Great Deception”.

In the end, I saw Russia (not the Soviet Union) very belligerently break all of the agreements they had ever signed, as I saw this

horrible storm (World War 3) coming to not only the Middle East (as it is today - April 2008 - with Iraq and Afghanistan; etc.,) but to other parts of the world, including North America.

6. Then in 1982 in the prophecies published, I also saw another Oil Crises Coming that would be worse than anything else the world has ever seen, and Russia having become very influential in all that was taking place. I think we are almost there now (April 10, 2008)!

7. In 1999 while pastoring a small church in Rock Creek, B.C. prophecy was given to me regarding **“The Great Slump that was coming into the New Housing Market in the United States”**. **That prophecy as well as all the ones having to do with the Last Great Shakings of God in the history of man, since 1981** were distributed in the local paper from Grand Forks through to Osoyoos. Little did I know how serious and devastating the “Slump in the New Housing Market would have on our North American Economy (2007 and 2008 - We are there now!)

8. In the mid 1990's I saw a 20 year period of on going wars that were coming and which engulfed different parts of the earth. I saw a terrible shortage of food and situations get so drastic in places that people were eating the dead carcasses of those that had died and fallen. [As I see it now (April 2008) these wars involved troops from both the USA and Canada being involved directly, such as they have been in Afghanistan: Iraq, as well as all of the middle East, and other parts of the world as well!] These wars as I saw them were on going. Only recently (April 8, 2008) as I was waking up, the words came to me "The War Has Started." Regarding this I will share more, in the next chapter.

With the elections in the USA – Hillary Clinton and Barack Obama wanting to pull the troops out of Iraq and Afghanistan; they do not know what they are talking about! And then the Guru of the New Religion “Global Warming” - Al Gore taking the leadership of the environmental movement regarding the same – Canadian Governments and others are wasting their money and time making him a very rich man! **The wisdom of this world is not the wisdom we all need: We need the true wisdom that comes from above, from God alone!** Today we live in a so-called intellectual society

and where the wisdom of this world, versus true Wisdom of God and Faith in God!

The Bible tells us that the foolishness of God (if there is such a thing?) is wiser than all the wisdom of this world and all the wisdom of mankind put together, including the devil inspired wisdom of all the weapons of mass destruction that have been created through the evil mind and evil heart that is in man. And yes, they are yet going to be unleashed on this world in our day, and on human kind.

Also when it comes to the new Religion and the great deceptions in it: Bible prophecies given thousands of years ago talk about the “earth warming up” and being “shaken violently”, as well as the “earth waxing old” and where it will be “reeling like a drunken man”, and “shall be moved out of its place” during “the Great Shakings of God”, and during “the time of the Lord’s wrath” These are only a few of the very accurate prophecies that are being fulfilled in our time. Isaiah chapter 24 speaks clearly, as well as scores of other prophecies! Psalms 110:5-6 tells us, *“The Lord at your right hand shall strike through kings in the day of his wrath. He shall judge among the nations, he shall fill the places with the dead bodies; he shall wound the heads over many countries.”*

9. Another prophecy given to me by God in **1981**, was **“a president with a head full of white hair in the White House,”** and with that came the word, **“The presidency has sure been hard on the man”** (meaning - **there are hard times ahead**) that prophecy has never been fulfilled! [Who the man will be only God knows! Although, I do have to admit that G.W. Bush has come very close to fulfilling that description, but after Obama etc., it still has not been fulfilled.]

Many of the American people blame the President for the problems of America, but I want to declare that it is God that is shaking America, and all of the world (Haggai 2:6-9) because of the sin, and corruption of straying away from the Grace of God, and for serving the gods the people in our generation have made for themselves, and not loving the Lord our God, with all their heart soul mind and strength. God is saying to His people who are today in Babylon (Revelation 18), and this includes all of the Religious Harlot Systems of men, “Come out of her My people, lest you

receive her plagues.” Those plagues are all mentioned in the Old and New Testaments, as well as several chapters that are in the Book called “The Revelation of Jesus Christ.”

You cannot create the gods of silver and gold as people have done, not only in all the religious systems of the world, but also in the Christian religious systems of men. Today people are lovers of pleasures more than the lovers of God. You cannot be serving the god of money, the god of Sports, etc., and the worshiping of demons without paying the price of God’s judgment and wrath. Why even Communism was and still is another form of religion, no different than Global Warming is, as well many other forms of New Age religions that are being made popular and being worshiped by the masses. The Bible tells us “Whom the Lord loves, He also chastises (spanks and corrects); therefore despise not the chastening of the Lord.”

God desires that we all return to our first love, and to come into the fullness of the relationship that He desires from us, which is totally impossible without Jesus Christ through whom the price of our redemption was fully paid! I wish every person would read and get a revelation of what Isaiah chapter 24 says, and get the fear of God into their heart and life. The Last Great Shakings is just beginning: and will culminate with the Second Coming of the Lord Jesus Christ!

10. The end of January 2006: 25 years after the original visions were given to me by The Lord of Glory, I received once again the following message: **“The Next Great War is much closer than most people realize and when it comes, it will come suddenly and at a time when people will not be expecting it”** This will be the beginning of World War3. (1Thessalonians 5:1-10 “... For when they shall say or be declaring, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. ...” **and also Luke 21:34-36**)

11. Then I also saw the Dragon rising out of the China Sea, and swallowing up Taiwan. And yes, “There will be wars, and rumors of wars but that is not the end of the story.”

12. In the mid 1990’s I also saw a situation in which I saw a 30 foot high tidal wave coming, but the warning was: **“God’s people were not ready for what was ahead!”**

The preparation of the heart by the Lord God is so important within each and every one of our lives because in the midst of the chaos, and the disasters and warnings God also gives to us His Rainbow of Peace and Love even as He gave the words to me in October 1998:

13. “There is coming a Great Shaking, but out of the Great Shakings there is also coming a Great Harvest!”

The thing that amazes me is how bad do things have to get before the people of God and the world is going to wake up to the fact that it is God that is shaking all things! And in the midst of all that is taking place these events are going to bring true repentance in our day - and yes – revival (a true spiritual awakening) is coming, but not until the hard times come! We are pretty well there now! But the wicked and evil nature that is in man, is also very stubborn, and while those that are going to live for God will shine as the stars in the heavens, the wicked will do even more wickedly than they have ever done, and they will not repent but they will go to the everlasting inferno which was created for the devil and his angels.

And yes Jesus who was and is the Christ is the only One who has the answers to all of man’s dilemma and problems – without Him and without Father God – man is hopelessly lost!

14. This great harvest was promised to take place in the midst of the Great Shakings of God (Haggai 2:6-9), and will culminate with Jesus, the True and only Messiah the Jews will ever see, and the only True Prophet and true Son of the Living God the Moslems will ever see, return from the heavens as “The Desire of all Nations finally comes!” There is no other name Given by God the Father, anywhere in God’s vast universe, where by man can be saved, but only through the shed blood of Jesus Christ, and only through His Glorious and Wonderful Name!

There are many messages that have been birthed into my heart and life over the years by the Spirit of the Living God. One such message was given to me in 2002, when I was in Africa and God began to speak to me very clearly about “**The Great Shakings of God in the History of Man**”. It was during this time that God began to show me clearly how all the messages that had been given to me beginning in the 1970s and early 1980’s and even to this present hour, were all part of His Big Picture. The church of Christ

needs to hear the messages given by the Lord: if they are to be ready for all that is now coming on the face of the whole earth.

In Luke chapter 21, we are exhorted to **“Watch and pray that we may be made worthy to escape all these things that are coming on the face of the whole earth, and to be able to stand before the Son of man.”** How can a person be made worthy? The preparation of the heart in every man, woman and child, is so very important to God, for without that preparation of the heart the Lord is unable to do anything in our lives to bring proper transformation, and be properly rooted and grounded and grafted into the Eternal Olive Tree of God’s anointing and power, and then to be used by Him properly. When we are used by God – He is working through us the Works of God and not we ourselves trying to please God in the flesh. It has to be in and through the anointing and the Power of God’s Holy Spirit.

There is nothing we can do to please God in our own selves, but when he is able to work the Good things of His Kingdom into our heart and life, we will not only be known even as we are known (by God), but we shall also “See Him Face to Face”! Then in 1Thessalonians 4 we read, “The last trumpet shall sound, and the dead in Christ shall rise first, (The dead here are those who knew what it was to be truly dead to the things of the world, the flesh and the devil – for they were crucified with Christ!) And those of us who are alive - unto Him - and are remaining in Him; shall be caught up together to meet the Lord in the air.” The Apostle Paul also declares in 1Corinthians 2:1-3 that God desires to see nothing more in our lives individually as well as collectively but to see “Christ and Him Crucified”.

Without our total surrender and heart felt Trust and Dependence on the Lord at all times that submissive crucified life will elude the people of God only to find themselves in what Revelation chapter 9 describes – another dead man’s religion for the dead letter of the Word kills! We need not be rebellious in heart, mind and spirit toward the Lord: but we need to heed the call and the tugging of God’s Holy Spirit on our heart. And what a blessing to be alive and remaining in Him: in His Love, and in the fullness of His light and His life through the Spirit of the Living God.

Jesus is coming for a Spotless Bride that is unspotted by the sin and harlot systems of Babylon which is the Religious Systems of

men, grounded in the wisdom of this world and not founded on the Solid Rock – which is the Revelation knowledge of Father God through His Son Christ Jesus. The Church of the Firstborn, the New Jerusalem, that comes out from the heavens in knowledge, wisdom and understanding. People of God need to hear the true voice of the prophetic in our times and the warnings so that we will not be found wanting or lacking (also deceived), and outside of God when He comes! Our generation needs the restoration of the true messages that the Apostles of Christ Preached and Taught and for them to be made alive in us! **“And the Word became flesh and dwelt among us, and we beheld His glory as of the only begotten of the Father – full of Grace and Truth.”** His word made flesh is us (written on the fleshly table of our heart) and all things are created new in our lives is where we become truly born of God, and where the fullness of God’s Grace and Truth shall also abide forever!

If we could only grasp: How great God’s love is toward us, and how jealous He is over His heritage – we would begin to both experience and to know the true Spirit of the Fear of the Lord!

Chapter 2: ‘The New Religion’

The Following is a dialogue that took place

Via e-mail April 9-11, 2008 with a man named Randy:

Dear Friend: I just wanted to encourage you that God sees you when you have been going through some hard times, and as you lean hard on the Lord, God will always be there for you. Never be afraid to be bold in the Lord, and making a solid commitment to Him, at all times. God's glory is yet to be revealed and being revealed to the Bride of Christ (it is **not** the church as we know it but it is to be the church that is filled with the fullness of the Glory which is the very Life of God). Thank you, for your faithfulness, my wife and I - we abide in the love of God, through His Son Jesus Christ, Desi & Martha Jakab

The following questions came from a man, named Randy – with whom I keep in touch, even though we have never met. This is what Randy asked me Re: Ekhart Tole this past week: What do you think about Ekhart Tole's new book and the sweeping religion/message and his converts that are now in the millions?

Also another one of Randy's Question re: Eckhart Tole and Revelation chapter 17:

Do you understand revelation 17? And if so would you mind explaining it to me. Also if you would pray for me and tell me if the Lord reveals anything to you I would appreciate the encouragement. Thanks for responding to my email. Eckhart has what it is looking like the greatest best seller of all time and looks to be a book that unites all world religion's under his philosophy. You can watch him on the internet if you type his name on You Tube or the type the words "The new earth". Thanks for responding, Randy.

My answer to Randy: April 11, 2008

Hi Randy: Thank you for bringing to my attention Eckhart Tole, and as you said, 'he has a book out and has millions of converts and followers.' Even though I have never heard of him I did look up his name on Yahoo, and I guess Oprah Winfrey is big into the same kind of thing; but without Christ, it is again just another religion and not relationship according to what God did through Jesus on the Cross. Jesus said, I am the way the truth and the life (or) light, and no man comes to the Father except through Me (Jesus).

[Although Oprah is badly deceived at this time, many years ago back in the early 1990s I did have a dream about her, in which she had actually become **a genuine born again believer in the Lord Jesus Christ:** and I do pray, and we all need to pray **that God will take the veil off of her heart,** and to come to realize that the "deceitfulness of riches, the lust of the flesh, lust of the eyes and the pride of life" will cause her to go into a lost eternity: because right now, the end of April 2008, Oprah is very badly deceived and is headed in the wrong direction - even as Jude tells us, ²³ **"And others save with fear, pulling *them* out of the fire; hating even the garment spotted by the flesh."** May the Lord allow this to come to pass: **"What the enemy has meant for evil, the Lord has meant it for His Good."**]

Revelation chapters 17 and 18 deals with the secular religious world as well as the harlot Christian churches as well: From which God calls His People, Rev. 18:4 **"Come out of her my people, and be not partakers of her sins, and that you do not receive her plagues."** The plagues are all mentioned not only in the Old Testament, but also in the New Testament, as well as the book of Revelation where several chapters deal with the plagues, that hinder and bring trouble into the lives of God's people when they do

not put their lives in order with what the Lord wants from us. In Revelation chapters 2 & 3 we find, "**First Love**" - among other things that are neglected. Christ's responses to these are very serious, when He tells them, "**If you do not repent, I will remove your lamp-stand out of its place:**" The warning here is the church will become a dead religious institution, with many other warnings!

First love is - "**Love the Lord your God with all of your heart soul mind and strength**" - which goes along with the 10 commandments #1- "**I am the Lord you God and you shall have no other gods before me.**" (Other gods is anything that takes the place of God: The self, ego, and pride; "**lust of the flesh, lust of the eyes and the pride of life.**") Three things described in the Bible that are full of deceit: a. "**The heart of man is deceitful above all else, and desperately wicked.**" b. "**deceitfulness of sin**" and c. "**the deceitfulness of riches**".

Revelation 17 talks about the false Christian religious system that is founded in man (rides the back of the beast – the fallen iniquity nature in man, having the wisdom of this world and the wisdom of men) instead of coming on the wings, the wind, and in the wisdom and power of God's Holy Spirit.

Most all denominational circles as well as charismatic circles fit this description, because they are all called to become the Bride of Christ, but instead of following on to know the Lord - they became a harlot woman unto the Lord in relationship. Please note: I personally do not judge individual lives, but the word of God does judge the systems of men: and that is why the apostate church system that John saw is called the Mother of Harlots - She is the Mother of what? Harlots: only because the churches they reproduce is "like kind". And is a warning to all that we need to come to God through Christ, and also the "Gathering of the People shall be unto Him" and not unto anything less or anyone else. God knows what is best for us, He created us, and when we get plugged into Him, completely and entirely, that is where we find the life and the love of God that we all need - more than anything else.

We have all of eternity before us - and only a few years down here, so why risk and throw away the wonderful things that God has planned for us, not only down here but then to spend eternity outside and without the presence of the Living God. With all

the cravings and all the lusts that people craved and lusted after, those things will be with them for all eternity, in a place of total void and emptiness, where the soul will never be able to be satisfied; and that in itself is hell and torment. Only the Love of God and the Life of Christ can fill those voids properly: "Eye has not seen nor ear heard all that the Lord has prepared for those that love Him." Word I have for you - 'God loves you very much, and through Christ's forgiveness He has a wonderful plan for your life, and it is up to each one of us to come into that fullness of love and relationship with the Father and His Son, Jesus Christ – into the abundance of His Life and to find those hidden treasures He has for each one of us.' God bless you, in His love Desi and Martha Jakab

Note Randy's reply to my answer: Thank you so much in memorizing and doing a musical version of revelation and have been studying it for many years now and it sounded like you were an older saint and also have some wisdom. God bless you guys. My word for you is psalm 87 "you will be mentioned when God registers his people saying this one was born in Zion" Randy

Both Martha and I found Randy's questions and replies very interesting, and with the Great Deception that is in the world today, I know with out a shadow of doubt, that unless the churches get back and into God and preaching the pure and unadulterated word of God, and gathering the people of God into the life of Christ: these new age, and new world doctrines are going to bring more deception and more confusion into the lives of people who are not grounded in the Lord properly. I remember the vision God Gave me in 1998 during a church service in Grand Forks, B.C. Canada. In the vision, I saw on the one side of the Cross - without the crucified life being preached and properly put in place, the devastations that were taking place in the people's lives. Then suddenly on the other side of the cross, I saw "Holiness unto the Lord" without which no man shall see the Lord. Only in the crucified life are we able to come into the fullness of the life of Christ and the knowledge of the Love of God perfected in us.

It is like **Revelation 16:8-9** tells us, "**The fourth angel poured out his vial upon the sun and scorched men with great heat**" –

(I believe this is not only and once again indicative of the Global Warming that is taking place - which has become another New Age Religion all because of the Great Deception that is working in the heart and the lives of the people **“The dwellers of the earth”**: Who are only able to grasp the things that the carnal mind and carnal nature in man is able to produce in them – without the wisdom of the Living God, who created everything and who alone has all of the answers to all of this world’s problems! But this is also talking about the **FIERY TRIALS THAT COME FROM DELIBERATELY DISOBEYING THE LORD GOD: And please note what the rest of Revelation 16:9 has to say about all of this? "And men were scorched with great heat (Great Fiery Trials), who blasphemed the Name of God(God's Name, means His very Character and Life) which has power over these plagues (because of the unholy lives they are living), and repented not to give Him the Glory that is due unto His Name."**

God shares His glory with no man, but will share His Glory (His glorious Life) with His sons and daughters; for they know what it is to give all the glory to the only One that deserves all the glory due to His Name: And only those that have a heart to love Him with all of their heart soul mind and strength which is the heart that retains “First Love”. Like King David, “A man after the heart of God”. These are the people who love God with all of their heart, and with everything in them, they desire God’s perfect will and allow the Holy Spirit of God to overcome **every hindrance and every sin and they know what it is to be identified with Christ in the crucified life!** Jesus is coming back for a "glorious church that is without Spot or Wrinkle or any such thing" and not something that has become or is a harlot in relationship unto Him. (1Corinthians chapter 13:1-3)

Message Given by the Lord in Edmonton Alberta Canada in 1982 - THIS TOOK PLACE IN A CREDENTIAL COMMITTEE MEETING, at a Pastors Conference. I share this to the glory of God!

It was in the early 1980’s when the visions and dreams given to me by the Lord were made public, and the persecution and the tribulation that came with it all. God showed me the leaders of a certain denomination standing in a circle, holding hands, and they

were all dressed in white shirts and black pants, all holding hands in agreement with one another but because of the darkness of their own hearts in them 2Peter1:19-21 they were operating in the flesh, and not in the Spirit of God. (We have all been there: including me and including all of the Apostles of Christ as well, before Pentecost.)

With God white is white (THE RIGHTEOUSNESS OF GOD), and black is black (THE SINFULNESS OF MAN) – but these were the leaders of God’s people: having this horrible mixture in them, trying to work out their salvation very much in the flesh and without the crucified life or by being in Christ properly. Then in the next instant, God showed me the flood-gates of polluted waters that were being opened on all the churches that they were in charge of, and the devastations that came with it: as I saw the dead corpses of God’s people strewn amidst the rubble – “The dead letter of the word kills and destroys the work of God, every time!” Man in the flesh and mans’ wisdom, doing the work of God and not by the crucified life.

The majority of the churches today still do not have the revelation of Jesus Christ made known among them not the way God desires it to be. It is the revelation of God the Father through His Son Jesus that the word of God is made alive to us and in us. This is why many of our churches are so far removed and so unlike, what the early church possessed in both the likeness of God’s Character and the life of God being truly in them. They knew what the Crucified Life was, as well as the demonstration of the power of God’s Spirit was also amongst them.

Our generation does not know what the true fear of the Lord is, nor do we know what true repentance is either. What a horrible and sad situation! **It is Jesus who is the Christ, who needs to be made the King over His church, and the Holy Spirit of God to be the Lord in all of the church meetings, and also in all of our lives.** God does not need the help of man. The sooner man gets man’s control out of the way, the sooner God will become the Lord and King not only in the church, but also in the people’s lives: Because this is the Black Umbrella of Deception and Unbelief that the Lord showed me years later! Yes, there is the responsibility of the ministry of God, and that is to bring the People of God into a vibrant, knowing and living relationship with God, and His Son

Jesus: as well as to bring them into the maturity and into the fullness of the Life of God: and that Life manifested in flesh becomes Light and God's Love in them.. How they Love God and love one another.

Going back many years: Because part of this vision came when I was called before the credential committee meeting with all the executives from a certain denomination that we were working with back in 1982. It was so ironic, because while this was taking place, me being killed and crucified for the visions and prophecies given by the Lord: the guest speaker in the main auditorium ministering to the other 100 pastors in the convention we were all part of, was speaking on **“Jesus being rejected by his brethren” as God was there to encourage me.** Surely God must have a sense of humor or what? The Bible tells us “not to come against God's anointing, and to do His prophets no harm”. They only do it because of the carnal nature or religious spirit in them and all out of ignorance. Only because people's hearts are not right, and because of the darkness in them even as I have seen this happen for the past almost 40 years.

But I have also seen God's dealings in the lives of people **very seriously** with those who not only did not understand, **but were also willingly ignorant and in most cases also living in sin.** Over the years, the ones who attacked these God given and anointed messages have been **arrogant, extremely vicious and critical** and vocal against all that the Lord has been saying to us: **despising both the messages and the messenger** who basically is nothing in their eyes. And that is OK, because I can say with the Apostle Paul, “You are honored, but we are despised”. Some of the worst attacks came from those, who were living in adultery and sin, even as the Lord exposed them later on. While others were just plain religious, hypocritical and pharisaical in their own lives.

Also, why God would ever pick someone to bring forth messages: someone who left home at the age of nine, and was plagued with all the insecurities and all the rejection a person could ever have been born with: and then to be rejected by his brethren and many of God's people and regarded as an outcast is totally beyond me? But I do know one thing, the messages that have been given to me were given to me by the Lord God and also that **I do not come in my own name, nor do I come with a message that is**

my message, but received them through revelations from the Lord. I have also had to learn through all the hard trials and tribulations of the many years, that my dependence is not on myself and not on my own fleshly wisdom and not in the abilities of man, and not in my own self-confidence or self-confidence of man, for these are some of the characteristic that I have lacked in my life completely!

In the natural, I suffered for many years with the spirits of insecurity, the spirits of rejection, and the frustrations that came because my own understanding was darkened until God was able to shine His light into my heart (2Peter 1:19-21) and on us, as my precious little wife and I would pray in our desperations to the One who loved us more than I even knew! And it was through all the trials and my-self falling flat on my face in the midst of the tests and trials many times, that I began to learn about being totally dependent on the Lord for everything, and also **to bring me into the brokenness that was so badly needed.**

It was in the early 1990s when we were living in Toronto that the Lord spoke to me one Sunday afternoon while I was resting, regarding **“being dependant on Him at all times”**. To me the word Trust in my life was like a brick wall in my understanding: and it wasn’t until the Lord showed me and spoke to me that **“Our dependence on the Lord must be at all times. When we are dependent on the Lord at all times (At All times is very important!) we not only place ourselves in the center of His will, but it also keeps us pure and holy as well.”** Before the Lord revealed this word to me, I did not know that our dependence on the Lord was the same word as trust. “Trust in the Lord with all of your heart, and He shall bring it to pass.” Through hard trials and afflictions, came the brokenness needed, and a total dependence on the One, who is also the One who ordained me, and who is also One that has sent us (my wife and I) both to preach the Good News of the Gospel of Jesus Christ.

I have such a desire burning in my heart, to see God’s people brought into the maturity of the fullness of the love and into the fullness of the life, their destiny and the fullness of the blessings that God has for each and every one of us. Please do not forget to pray

for us, that God will throw open unto us the doors of ministry that have been closed to us for many years and fulfill Revelation 3:7, in all of our lives: where the people of God can be brought into a fullness of the understanding of the maturity of Christ - He so desires to impart into the hearts and into the lives of His people.

One of the many messages has to do with “The Great Shakings of God in the History of Man” – It gives a clear picture of not only all that has been, but what God is now doing and yet going to do in our day. God wants to impart and to restore the fullness of His love, life, light and glory into the heart and the life of His people, so that we may no longer be trodden down by the enemy. His desire for all of us is to overcome, every hindrance and sin, and obstacle that ever has been, until we begin to shine with the glory of God, and no longer the trodden down work of God that most of the churches have been over the centuries of time.

Jesus said “Upon this Rock will I build My church and the gates of hell shall not prevail against the church of the Living God.” In other words, the hordes of hell released against the true bride of Christ, in these last days will not be able to overcome them! The enemy will not be able to overcome that same glory which I (Jesus) also had, and which I also desire to place and impart into the lives of My people, who have a heart after My own heart: to become the Bride of Christ, the people of God who overcome! In Revelation 12:13-17 we see a picture in which Satan (the dragon) is cast out of heaven unto the earth. Immediately he makes war with the woman who had given birth to the Man Child (Jesus). Not only has the enemy waged war to destroy Israel in the natural, but is also waging war against the church – because it is through the woman of God (the New Testament church) that God is bringing forth His sons and His daughters into His glory as well (the body of Christ) which is also the completion of the Man Child of the Living God. But there is a terrible war waged against stopping this from happening, even as it has been now for the past 2,000 years.

In Verse 15 we read about the serpent casting out of his mouth a flood (the polluted waters) that horrible mixture which God hates. In Psalms 75:8 “In the hand of the Lord there is a cup (of His wrath), and the wine foams and is red, well mixed; and He pours out from it,

and all the wicked of the earth must drain it and drink its dregs. (Psalms 60:3, Jeremiah 25:15, Revelation 14:9-10, 16:19.) The earth helps the woman in Revelation 12:16 as the ground (those who are carnally minded and earthly in character) opened its mouth and swallowed up the flood (these are the floodgates of polluted waters that comes out of the mouth of those who are not true shepherds, but are the workers of iniquity, the false prophets, false preachers including all the false teachings of men “the dead letter of the word which kills”) which the dragon (the false religious systems of men filled with the deceptions of hell) spouted from his mouth.” So then the Dragon was furiously enraged at the woman (this is happening now), and he went to wage war on the remainder of her descendants, (on those) who obey God’s commandments and who have the testimony of Jesus Christ, and adhere to it and bear witness to Him.” Amplified Bible

There are so many more things that could be shared, even as I have shared them in the books the Lord has given me to write during the past 4 years, many of them containing the Revelation of Jesus Christ, but for now, I am forwarding only these messages.

Luke 21:25-28 *“And there will be signs in the sun* (We shouldn’t be surprised if our weather systems are out of sync and when things are warming up on the earth - such as global warming: and as if man in his own intelligence combined with all the wisdom of this world, can do something about it? **Outside of true repentance, and being made right with God, man remains totally helpless, defiant and hopeless!** There is no other answer, outside of God!

“There will be signs in the sun, moon, and in the stars; and on the earth distress of nations, with perplexity, the sea and the waves roaring; ²⁶ men’s hearts failing them from fear for looking after those things which are coming on the earth, for the powers of the heavens will be shaken. ²⁷ Then they will see the Son of Man coming in a cloud with power and great glory. ²⁸ Now when these things begin to happen, look up and lift up your heads, because your redemption draws near.”

Chapter 3: **“The Last Great Harvest”** - Next I would like to share a dream given to Neville Johnson from Australia: **This dream or vision is right on!**

Just prior to seeing Neville's vision the Lord also gave me (Desi) a dream, and would like to share with you (the precious reader) the similarities and confirmations that stand out in both very powerful messages given: **The things that stands out in both visions are:**

#1: We are both talking about the Last Great Harvest: and it is the Lord's harvest and not man's harvest. It was in October 1997, that the Lord spoke the following word's to me: **"There is a Great Shaking coming, but out of the Great shakings, there is also coming a Great Harvest."** A few months later the beginning of March 1998, the Lord also gave me an encounter, in which all night while I was asleep from midnight to 8 am the words of Psalms 106:1-6 were literally tumbling in my head and my spirit man. And it was 2 month later Martha and I were back into fulltime ministry pastoring a small church in the interior of B.C. Then again during this same year (1998), the Lord again spoke to me: **"The Great Shakings that are coming, are not designed to destroy us (as God's People), but they are designed to remove everything from our lives that hinder the flow of God's grace, love and anointing into our lives and through us."**

#2: In both visions we see, the phenomenal acceleration of the harvest taking place.

#3. The **explosions** that take place concerning the Great Harvest even as the apostle Peter shares about **the seed of the martyrs** - all those who gave their lives in the early church coming into fruition in our generation: (Several years ago, the Lord showed me God's generals on the mountain of God, and what was about to take place in the earth would be like a **Giant Atomic Explosion**, and would shake and impact the whole world (Psalms 126:1-6, Haggai 2:6-9).

#4. Then there is in both visions - **the building coming into completion**, again in our generation. God gives me (Desi) the same vision regarding God's Building or the Building of God's Kingdom: "In My Father's House are many mansions" - these are the lives of God's people filled with the glory of the fullness of God's Holy Spirit, and the position and place of ministry that Jesus spoke of in John 14:1-3.

#5. Jesus said, "Let not your heart be troubled (don't get anxious or worried), in My Father's House are many mansions: I am going to the Father to prepare a place for you, (that place is a position a place of ministry at the right hand of God) and if I go to prepare a place for you, I will come again and receive you unto myself so that where I am there you may be also." This is present

tense truth, and the place and position He was preparing for the apostles and the people of God was – “I will send you the Comforter, the Holy Spirit so that where I am - Seated at the right hand of the Father you will also be seated with me (Christ) – (In Christ, we become the **anointed ones with Him**), seated with Christ in the heavenly places.”

I have never heard of Neville Johnson, but other friends know of him, and I am so blessed that the Lord would speak to me so profoundly all on the same day (April 14, 2008) in which I received his vision (prophetic dream) sent to me on the Email from our pastor’s wife, Marion Guenther in Mission, B.C. Canada.

Vision of the Last Great Harvest, as described by Neville Johnson:

On 28th of March 2008 the Lord gave me a dream which had profound implications regarding the coming harvest. I found myself in the dream standing on a beach, the tide was almost full and somehow that seemed significant, the water gently lapped the sandy shoreline and a light colored mist hung over the water a few hundred meters offshore, the atmosphere was crisp yet warm. Suddenly a boat appeared through the mist heading towards me, a man was standing holding a tiller (leaver fitted to head of rudder for steering) and cheerfully called to me saying “do you want to come fishing?” I hesitated for a moment then said ok pushing the boat out at the same time jumping in. The man’s face emanated a glow that was not of this world, he had a rugged yet refined look; he seemed very focused and determined.

I had the strange feeling that I had been here before but could not quite put my finger on it, the boat quickly moved out into deep water and stopped, the water was teeming with fish and it almost seemed like the fish wanted to be caught. This man looked at me and said “my name is Peter” with that he threw the net out and what seemed like no time at all he was pulling it in again and the net was teeming with fish as soon as the fish hit the deck of the boat they turned into people of all ages. I was struggling to get my mind around this unusual phenomenon when Peter said “***the final harvest must be reaped but it can only be reaped by those who have crossed the River Jordan***”. Suddenly it dawned on me that in my

dream I was talking to the Apostle Peter, before I could speak Peter continued. “Jesus was involved in two fishing trips while He walked this earth, one at the beginning of His ministry and one towards the end of his ministry.” *Luke 5:4-10 and John 21:6-8*

Peter continued; “On the first fishing trip the net broke but on the second trip the net held, so it will be in this final harvest the net will hold, the net broke in the early church and much was lost but it will not be so in your day, **those who have left the wilderness behind and have crossed over into the promised land are those who have one goal and motive which is only to build the Kingdom of God**, jealousy, anger, selfish ambition no longer will hinder them nor spoil the harvest. **Pride no longer motivates them and they have come into rest.** The final harvest has begun and will increase in intensity until the end.

The end is now in sight the finishing line is in view, what began at Pentecost will finish in your day. The great cloud of witnesses watches with great joy and anticipation for the final consummation. Just as the harvest began with one generation in my day so it will finish with this present generation in your day. My generation saw the foundations laid, your generation will see the building completed. There will be many in your generation that will overcome all things, even death, your generation saw tares sown into the harvest field, your generation will see all the tares removed. The harvest wave is upon you, you will accomplish in one generation what hundreds of generations have longed to see.

“The Feast of Pentecost must give way to the feast of Tabernacles your generation will accomplish that which the church could not over the past two thousand years. The glorious shadow that emanated from the early church was just that, a shadow, you will see the fullness of the glory of God in one generation manifested in such a way that nothing will be impossible, the miracles we saw were just a foretaste of what was to come”.

Peter paused, looking at the people in the boat he said “*see how the boat has now grown*” I was amazed the boat was now huge and was accommodating so many people it was impossible to estimate how many people were now in the boat. Peter continued “*The seed of early church martyrs will blossom in your generation, one seed will produce countless multitudes in the harvest of your day, they*

watch with gratitude to the Lord for allowing them to be a part of what you will experience. This seed will explode into continuing ever increasing harvests until the Lord returns; they have waited to see this day”.

Peter looked at me and said; *“tell the Christian leaders of your day if they seek to profit by this harvest and build their own kingdoms with the harvest, they will be destroyed. This harvest is Holy - this fruit is precious, if you cause any to stumble you will surely be destroyed”.*

I felt the force and gravity of what Peter had just said, it hit me like a hammer blow and I had to steady myself somewhat in order not to miss anything more Peter had to say. Peter continued ... **“Purity of heart is required for those who are to be involved in gathering this harvest, it is the Lord’s harvest not your harvest, He has waited for this with great longing and anticipation”** ...

James 5:7-8 “Be patient therefore, brethren, unto the coming of the Lord. Behold, the husbandman waits for the precious fruit of the earth, and has long patience for it, until he receive the early and latter rain. 8. You must be also patient; establish your hearts: for the coming of the Lord draws near.” Finally Peter said ... **“Don’t be impetuous like I was, follow the Lord of the Harvest, true sons of God are led by the spirit of God”.** I began to feel a holy fear which triggered a determination never to hurt or hinder the harvest, never to use it for my own ends and purposes. Peter looked at me and said **“great grace will be given to your generation but great accountability will be required”** with that he was gone and I awoke.

This second vision comes from Canada on the same day, April 14, 2008 – by Desi Jakob: On April 14, I had trouble sleeping most of the night, but just lay there resting in the Lord. Finally after getting up and having a small breakfast, I went back to bed. I finally fell asleep and at 11am I had the following dream that encouraged both my wife and I immensely.

In the vision (prophetic dream) at first life seemed quite normal as it was on this day, April 14, 2008. We were in an area where shops (businesses) were being shown and **a service station for fueling**

cars, etcetera. It was a beautiful and sunny day. As my wife and I were walking down the street another person - a man whom I did not recognize (very likely an angel of God) was there with us as well. (Many times when God speaks to me in a dream there is another person with me – and I may not even have a clue as to who that person is, because even God’s angels often look just as normal as you and I do.) Suddenly I turn to my wife, and exclaimed, **“There are two bombs ready to go off, and we needed to get out of here.”** (When God speaks to us, the angel of God is always with us, even if we do not recognize or see them: when we are heirs and joint heirs with our Lord and Master Jesus Christ and our life is no longer in the flesh (for I am crucified with Christ), but in the Spirit of the Living God, John 1:51 will become a reality in our lives, even as it was with Jesus!) Our destination which turned out to be a place of **absolute safety** was close by: (“Safety is from the Lord” and also Psalms 91). Apparently the second bomb never did go off, and was not even needed. Also who the bombs belonged to or where they came from, and who was responsible for them - was never shown. All I know is – “There were two bombs and they were both ready to go off, and we needed to get out of there fast.” We quickly turned to our right, and went across the street, (this giant, beautiful bus which was ours - symbolic of ministry - is also parked there) and immediately we went into this Giant Building.

[When God first gave to us the ministry “Feeding the Hungry – Global Ministries” in 2005, and when God sent us back to Africa in May 2005, I had a vision in which I saw a small white car, but now the ministry had obviously grown. Also, the first time we had gone to Africa in July 2000 we used to use a small white car much of the time for transport from the Orphanage to the big city. Also, in the late 1990s God showed me His generals on God’s mountain, and the Explosion that was about to take place was like a Giant Atomic Bomb going off in the Spirit realm, and the impact of all that God was about to do was going to shake the entire world:(Haggai 2:6-9 and also Psalms 106:1-6). The world is yet going to see all that the Lord God is going to do: as the gospel of God’s Kingdom will be preached in the entire world **as a witness to all nations**, and then shall the end come (Matthew 24:14).

It only took us a moment of time to cross the road, when suddenly we were now at our destination and are inside this giant building The Building of God's Kingdom. ("In my Father's house are many mansions" John 14:1)

Please Note: The message of God's Kingdom as a witness to the whole world is not only the signs, wonders and miracles (even as Revelation 13:11-18 warns us): But to be a witness means – the very life, and character of God is resident in the heart and life of the believer – who is also abiding in the message of taking up his cross daily and following Him(Jesus)! Without the cross and the crucified life we become a false prophet and preaching or declaring ourselves to the world as one of the “many false christs who have gone out into the world, deceiving the multitude” that our Lord Jesus Christ and His apostles warned us about in Matthew 24:24-31, Mark 13:22, 1Corinthians 15:12-34, 2Corinthians 11:12-16, Galatians 2:4-5, 1Peter 3:15-18. The crucified life (death to self, the world and the devil), the character of God in us, the Love of God, and the Holiness of God the Father and the resurrected life which is the trueness of Jesus Christ must be made manifest in the flesh in us, even as it was in Jesus Christ: (John 1:14).]

As we enter the Giant Building, immediately on the right hand side, there is a separate room that was prepared just for my wife Martha and I, where we are resting and enjoying each other's company and fellowship. (I am reminded of Psalms 16:11 “I will show you the path of life, in My presence is fullness of joy and at My Right Hand, there are pleasures for ever more.” As well as John 14:2-3, “In My Father's House are many mansions, I go to prepare a place for you,” - position or places of ministry, with the people's lives filled with the glory of God.) Enjoying ourselves in the presence of the Lord, we finally leave the room as we turn to the right and next to the room we immediately come to a large opening (an open doorway) and we are now standing inside the entrance to the rest of the Big Picture of the Giant Building (building God's kingdom), and inside this now Giant Building I see leaders of God's people on roller blades - the one I recognize is a Missionary who is currently in Central America: but all of these leaders have **roller blades on**, and they are just flying, getting the work given to them by God done very quickly,

(Acceleration-of both the work and of the times). We are only shown the area directly in front of us, but never the less, this was a very Big Place. It was so big and so huge I would not be able to tell the size.

As we are now looking inside this giant building there is major construction happening and taking place there are several leaders (ministries) on roller blades but the only one I recognized was one preacher that I know: But not one of the big time ministries were shown, but only this one. (I have wondered what has happened to the “faceless and nameless generation” – that God was going to use in His last day harvest that we heard declared and prophesied about in the 1980s and early 1990s? Meaning all the Glory was going to go to God the Father, and not man: What has happened to it all??!) As I see this one leader (as well as the others) they are carrying white sheets of paper (God’s plans, or God’s messages) in one hand, and in the other one he is carrying a piece of construction material – that looks like an iron rod which actually looks like a piece of pipe or conduit. He as well as others: are literally flying around on roller blades. There are other people working there as well, some on roller blades, while many others are busy assembling the work at hand. Things were being assembled and put together very quickly and phenomenally well.

In Hebrews 10:12-39 we are told, “Forsake not the assembling of yourselves together, even so much more as the Day of Christ approaches” – this assembling of ourselves together is not just going to church, or playing church or being a nice social club, but “Unto Him (Jesus) shall gathering of the people be” and NOT unto anyone else or anything else!” Those who are attached unto the ‘anyone else’ and ‘the anything else’ and stay that way or remain that way, will not be able to stand in the storms that are now in the world and are being described. But I also have good news: In 1999 The Lord also spoke to me regarding the Great Shakings, “They are not designed to destroy us, but to remove everything in our life, that hinders the flow of God’s River of Life into us as well as through us.” And many will overcome even as Neville describes in the previous message, but others who deliberately disobey and refuse to go God’s way, God is going to

deal with them, as God continues to separate the chaff from the wheat as well as the tares from the wheat in this His last day harvest (Matthew 13:25-30). **Inside God's House, or the Big Building shown there were no tares, and the work of God was also totally and completely unhindered!**

Purity of heart and the preparation of our heart are so important. God wants nothing less for us than to come into that fullness of relationship with Him and with His Son and into the love and the grace of God made manifest in flesh, in all of our lives! What a blessing to have that awesome presence of the Spirit of the Fear of the Lord with the Holiness of God being restored, and being made available and resident in us. God will share His Glory with no man, not in this His last day harvest: but He will share it with His sons and with His daughters, (those who have become **joint-heirs** - Romans 8:1-18) and have entered through being crucified with Christ (**joint**), and are now also resurrected into the newness of His life (**heirs**). 'The Bride of Christ has made herself ready! **The only safe place left - even as it is being shown and described in the prophetic dreams is in the Lord, and building His House and His Kingdom and nowhere else.**

In the dream, I thought to myself, I wish we could have had roller blades back in my younger days when I was working in construction. Of course this entire picture being shown was the acceleration that is now taking place. Things were happening very quickly both in the world, as well as **God's Holy Spirit being in charge of the construction that was going on inside the building,** which was being assembled and put together at a very fast pace!

How I have longed for and desired over the years ever since the 1960s when I was just a young man, to see the glory of God manifested the way it was in the lives of the Apostles in the early church, and even as the true Spirit of Holiness and the Spirit of the Fear of the Lord was manifested and revealed to us, back in the old Glad Tidings Church in Abbotsford, BC Canada in the mid 1960s. When we saw God literally show up, many times: and during one of the Sunday morning services when the Spirit of the Fear of the Lord walked into the building, and when some of the people thought they

were going to die as everybody in the church hit the floor and not one person dared to speak or even utter one word! But I believe with all my heart that the time has come, even as God has been showing us and has begun to reveal Himself to us and making Himself alive in us!

The true move of God and the last harvest **must come with that awesome presence** where the people's lives will truly be changed, and where the trueness of the Christ within will be manifested in the flesh and in the lives of God's holy people! When we can see the true holiness and the true Spirit of the Fear of the Lord manifested in the meetings, then we will know this is that which was manifested in the lives of the Apostles of Christ and what the true prophets of God have all desired to see come to pass: **and then we will know that God is truly in the place of meeting where God's Holy Fire has started to burn away all the chaff in our lives, and the Final Harvest has also begun where "God's mighty angels will also be separating the tares from the wheat". (Matthew 13:36-43, 3:11-12 and Jeremiah 23:28-32)**

Finally my wife and I go back toward the room where we had been resting, when I said let's go and see what is happening outside. As we go out, the bus and ministry the Lord had given us is parked in front of the building, and that is now being pelted with the water that is coming off the ocean waves, but our children are safe inside it and are asleep, and resting.

Next we look at the area where the shops were, and where the service station was. To our amazement, it was like the entire landscape had changed; the buildings that were shown across the street as well as the service station, were completely gone now. The entire area had been devastated by the bomb which had earlier gone off, and absolutely nothing left.

There were two bombs originally that were going to go off but only one went off, but the devastation was phenomenal: and had in fact changed the entire landscape into a desolate wilderness. Then the other part of the message that came was: "There was also something happening in the Middle East, and Israel had also detonated some bombs in its own defense, and seemed like the

whole world was now in uproar, as the waves of the oceans now being shown were coming in like giant 30 to 50 feet high tidal waves and overflowing their banks. Even the tires on the bus were standing in water now, as the wind and the waves and the waters from the ocean was hitting the side of the bus as if it was a major rainstorm: but it was all coming from the uproar of the oceans waves. I crossed the North Atlantic in winter storms when I was coming to Canada in 1957, but I have never seen the oceans of the world so absolutely tossed and in such upheaval!

The entire situation was the result of the bombs going off, the oceans of the world were raging like never before. (The Oceans being shown are symbolic of the nations, as well as natural disasters taking place.) Because bombs had been now detonated in the Middle East and specifically by Israel in its own defense and the oceans of the world (the Nations) were in an absolute uproar! **Also, the devastations as they were being shown were absolutely phenomenal!**

Luke 21:25 tells us, "**On the earth there will be distress of nations with perplexity (no human answers to the problems), and the sea and the waves roaring**". The entire world was in an uproar, because Israel had defended itself, some very big stuff happening!

It seemed like the only places of safety left on the earth, was inside the bus and inside God's Building, blessing and protection. The bus to me is symbolic of the ministry that God had given us where our children were asleep and resting - although even the bus was no longer being used, but was now parked in front of God's building. Inside the building (of God's Kingdom) the people seemed to be completely at rest, and yet busy and totally unaware and not even anxious or worried about all the devastations that were taking place in the world around them: nor were they being affected in any way by any of it! They were just zealous with all that the Lord had given them to do!

I finally said let's go back inside. As Martha and I went back into the safety of the building we were a part of, the dream came to an end - as I woke up.

This vision or prophetic dream tremendously encouraged me, because it is one thing for the Lord to show us things years ahead of time, and then for us to know: how we are going to be able to handle the situations that are ahead of us. Isaiah 24:14-16a In the midst of the devastations being described we find: *“They shall lift up their voice, they shall sing; for the majesty of the LORD they shall cry aloud (worship will be heard from among the nations) from the sea.* ¹⁵ *Therefore glorify the LORD in the dawning light, (arise shine for your light is come) the name of the LORD God of Israel in the coastlands (or the islands) of the sea.* ¹⁶ *From the ends of the earth we have heard songs: “Glory to the righteous (the righteous glorifying the Lord).” Seek first the Kingdom of God and His righteousness, and all these things that God our Heavenly Father desires to do in our lives and through us for His glory and honor, shall be added unto us.”* It is His harvest not ours, it is His work, not ours and it is **all for His glory and not for the glory of man.**

Possessing in us the very character of God, honesty, purity of heart, His integrity with humility goes a long way! Note, *Luke 17:5-10* ***“And the apostles said unto the Lord, Increase our faith. ⁶And the Lord said, If you had faith as a grain of mustard seed, you might say unto this sycamore tree, Be plucked up by the root, and be planted in the sea; it shall obey you. ⁷But which of you, having a servant plowing or feeding cattle, will say unto him by and by, when he is come from the field, Go and sit down to meat, dinner is ready? ⁸Will not the Master of that servant rather say unto him, Make ready the meal wherewith I may eat (or fellowship), make preparation (prepare yourself) and serve me, till I have eaten and drunken; and afterward you shall eat and drink?”***

In Christ we are made priests and kings unto Him first. To make room for Him in our heart and life, and the preparation of the heart is so important! It is a must for us to minister to Him and to spend quality time with Him, and to prepare in our heart a place for Him every day is a must! Only as we minister to Him does He enable us to ruler over the nations (those ungodly areas of our lives) with a rod of iron. When I see people who are immature, and they race after the glory, the gold and use the kingdom and the harvest for their own selfish ambitions, I shudder and tremble because I for one know that we need the Lord, more than He needs us! He does not need my help, and he does not need man’s intellect or ambitions and self

glorification to get this last day Harvest of God brought in. The Harvest belongs to the Lord: It is His harvest.

All He desires from us is - Our Total Surrender and All of our Heart! Ruling and reigning on the throne of our heart, and where He is sitting in the temple of God – showing Himself – that He truly is God, and nothing of us, and nothing of the enemy! And in the end, **Luke 17:9-10** speaks very clearly when it comes to humility: *“Does he thank that servant because he did the things that were commanded him? Definitely not! ¹⁰So likewise you, when you shall have done all those things which are commanded you, say, within the humility of your own heart, We are unprofitable servants: we have done that which was our duty to do.”* *“Without Me (Jesus) and apart from Me, you can of yourselves accomplish nothing of eternal value.”* *“Also what will it profit a man if he becomes so rich that he gains or even wins the whole world and he or she loses his own soul?”*

“The heart of man is deceitful above everything else, and desperately wicked, who is able to know his or her own heart? I the Lord try the hidden motivations and the reigns of the heart and to give to every man, the reward after this life according unto their works.” Just because men prosper on this earth, does not mean that their hearts and the motivations of their hearts are right in the Lord. **If that is the case then 2Peter 1:19-21, 2:1-3, also verses 19-22 should have never been written.**

When there is a portal over an area (unity among the brethren) and an open heaven, and a man highly gifted in the Lord moves into that area, there seems to be another revival breaking forth – but woe to any one of us (myself included) and to any man if they take the glory belonging to the Lord for their own selfish gain. Only recently I was looking at a video inside one of the churches, where pictures of a revival was taking place. Do not misunderstand me, I am all for the move of God and always have been. But I have seen what spiritual pride, and taking the glory belonging to God has done as far back as the 1960’s and early 1970’s: and the destructive force and the devastations that can come with it.

Many of us who moved on with the Lord, are ourselves in ministry today and have learned some valuable lessons from the

failures of the ministries we had over us in the past: as well as from our own failures. When Revelation chapter 13:11-18 as well as all of chapter 9 and chapter 14:6-13 so clearly warns of the pit-falls, and the need for the crucified life to be in place.

If and when honesty and the integrity of God's character and humility is not properly practiced and not properly put in place: our immaturity in Christ can bring terrible consequences. Yes, ministries may experience tremendous success, but areas of immaturity, and the hidden sins that are never properly brought into a death experience in any persons life, will in a time of weakness or burn-out, the temptations that will come, will overtake them, as many in the past have fallen headlong into sin, all because they did not have proper God given principles and guidelines put in place to protect them.

As we were watching the large screen in one of the churches in Canada – some things concerning the entire situation did not sit well with me, and was greatly troubled in my spirit. I finally lay down on the church bench, and began to pray and rest in the Lord. As I continued to pray through, and as the service got under way, the meetings being shown on the screen was turned off. I was asking the Lord, why was this whole situation not sitting well with me? Like what is wrong with me? I was asking and desiring an answer from the Lord? I love the healings, I love to see God touching people's lives, and as I continued to pray and talk to the Lord I even said, "I wish they could leave money alone, and quit using the miracles and the signs and wonders for promotional purposes."

Suddenly my Bible fell open to Ecclesiastes 10:1 **“Dead flies cause the ointment of the apothecary to send forth a stinking smell: so does a little folly in a person's life who is in reputation for wisdom and honor.”** I was literally amazed what God was giving me. I have always been for the Lord to restore ministries and people when they have fallen: and the Lord has many times used both Martha and I to do just that, in the lives of other leaders or ministries over the years.

I refuse to judge any man or any woman, for it is to God they stand and to God they fall: but when is the Spirit of the Fear of the Lord going to come and take over our own agendas, and be in

charge of all that God desires to do? And when are we going to realize that God does not need my money and He also does not need my help, my ambitions, He does not need the arm of flesh, and our carnality to get His harvest in. All He needs is total surrender and all of our heart, and yes we do all that the Lord gives us to do but each and every day we must be resting and surrendered to Him: and nothing else!

The apostles in the first century were not motivated by money and did not go preaching the gospel being dependant on the size of the offerings they got, nor did they have their hearts set on the millions of dollars they should be able to get: **they were motivated by the Bigness of their God in them.** We have to get back to the same place in our experience and to the total dependence they had back then in the Lord.

I am not saying that God will not give some people tremendous wealth, and ability to get finances, but if we have to use the signs, wonders, miracles, and healings, to showcase all that God is doing and make merchandise out of the glory of God – There is something terribly wrong with the whole picture! And God does and will deal in every one of our lives, if people are using God's Harvest for our own selfish gain, or for our glory and not giving all the Glory belonging to our Lord and Savior and to our God. When I as a servant of God, I am not impressed, neither is the Lord!

Thank you brother Neville Johnson: for sharing your timely message with us. By encouraging us and telling us that many are going to over come in our day every hindrance, sin and even death itself. That gives me great hope not only for my self, as well as many of God's people: but it is also "God that is able to keep us from falling, and to present every one of us faultless before the presence of His glory with exceeding joy." We need to be ecstatically happy in our trials and testing having the sacrifice of praise and thanksgiving in our mouths continually until the enemy cannot stand being around us any longer. It is about time that the People of God drove all the demons crazy and far away from us, as we are kept by the Power of God, and by His Great Love and Great Grace. But again as a reminder, with the Great Grace, there also comes Great accountability: and many dumb mistakes can be

avoided when we walk carefully and putting proper safeguards around us, our ministry and God first in everything.

I think it is time to laugh and have a glory fit, and worship until we breakthrough or pray through to the Glory of God and into the presence of the Lord. Rejoicing in faith, will generally release the God kind of faith into all of our circumstances! Rejoicing even if we in the natural have nothing to rejoice about, will give us the faith that produces even a greater faith – which we will know that when it comes it is from heaven: The God kind of faith that releases the Power of God to be working not only in our circumstances but in the lives of others as well!

I believe, with all of my heart - we are now entering into the days when God is ready and about to take out all the tares, and to send forth His mighty angels who are going to remove everything from His Kingdom that offend, and those who know not God as well as those who obey not the gospel of Jesus Christ **when it comes to giving all the glory belonging to the Lord and to our God – All glory, praise and honor belongs to Him alone!**

Yes we have rejoiced over the years, all the good things the Lord has done, in the revival my wife and I grew up in the 1960's and in all the fresh out pouring of God's Spirit that have come and gone, but where are the revivals of the past? Where is the Toronto Blessing? (And yes people's lives were touched and changed.) And where is the Brownsville Revival – in Pensacola Florida today? And where's the out pouring of God's Spirit we have experienced over the years. Could it be that the Nets have all been broken? I am looking for the final move of God – where the nets will never be broken as they have been in the past. One that will shake all of the heavens as well as all of the earth!

In our North American society the gifted preachers become Icons overnight. They go on television, and they become millionaires, and are esteemed by people, until it becomes questionable as to what they truly are worshiping, and who they are truly serving? And/or are they still in Babylon, even as Revelation 18 describes? I personally do not care who the preacher is and or

how gifted they are, EVERY OUNCE OF GLORY BELONGS TO JESUS (He alone was found worthy in Revelation chapter 5) AND TO THE FATHER IN HEAVEN AND NOBODY ELSE! Those who do not heed the warnings will all go bankrupt and will be out of business: GOD’S WORD DOES NOT LIE. True revival and restoration of all that God wants to do will not come until we begin to see the True Fear of the Lord Restored! The Everlasting Gospel in Revelation 14:7 begins with **“Fear God, and give glory to Him, for the hour of His judgment is come: and worship Him”** While **Jeremiah 9:23** tells us, **“Let not the wise man, glory in his wisdom, neither let the mighty man glory in his might, and let not the rich man glory in his riches: But let him that glories, glory in this, that he knows and understands Me – that I Am the Lord: that exercises loving kindness, judgment and righteousness, in the earth: for in these things I delight says the Lord God Jehovah.”** When these principals are not properly in place – we may be subject to **“worshipping the image of the first beast (nature) that was wounded with the sword, was healed and yet does live”** Is all about the crucified life and without taking up our cross daily and following Jesus (Rev.13:9-10) as Rev. 13:11-18 describes. Why are these scriptures so difficult to grasp?

When we see the restoration of the true Holy Spirit move of God that is when we will see everything fall back into proper order, and that is when we will see the glory restored into the people’s lives and bring everything into proper alignment – to the same extent as it was experienced by the apostles of Christ and as it was in the early church, when many were martyred for their faith!

If our ministry is nothing more than Big Business, then all we have done is what Revelation chapter 18 tells us not to do, and building on a wrong foundation. It is not going to last but will surely burn, and soon we will see the fulfillment of it all! **Jeremiah 17:9-10** tells us, **“The heart of man is deceitful above everything else, and desperately wicked, who is able to know his or her own heart? I the Lord try the hidden motivations and the reigns of the heart and to give to every man, the reward according unto their works.”** Just because men prosper on this earth, does not mean that their lives and the motivations of their hearts are right in the

Lord. As I have already said: If that is the case then 2Peter 1:19-21, 2:1-3, also verses 19-22 should have never been written.

Revelation 22:10-11 tells us, those who do not obey the words of the prophecy of this book, called the Revelation of Jesus Christ: “Let those who are unjust, remain unjust still, and those who are filthy, remain filthy still and let those who come into the righteousness of God, let them remain in the righteousness of God forever, and those that are holy remain holy still (forever). And behold I come quickly and my reward is with Me, to give to every man according as his work has been. I am the Alpha and the Omega, the beginning and the end, the first and the last.” THE LORD IS NOT WILLING THAT ANY SHOULD PERISH BUT THAT ALL SHOULD COME INTO REPENTANCE, AND BE PARTAKERS OF HIS DIVINE CHARACTER to the extent that when we are translated and transformed into the likeness of God’s Son, in that newness of life, God’s Character should become just as natural as breath itself!

Outside of Christ of course this is absolutely impossible. “Abide in Me (Jesus) and Me in you. I am the Vine, and you are the branches, without Me you are able to do nothing:” but in Me you are able to do all the things that please the Heavenly Father. Lean not on your own understanding, but when you lean on Me, you truly will be blessed, and truly will be empowered to do all that is required of you. Give yourself to Me says the Lord, and I will place the desires of My heart and make them your desires, and when you ask according to My will, I shall fulfill all the desires that are also in your heart. God’s way is the Only Way, and is also the Best Way! Love and Blessings from us - Desi and Martha Jakab.

Regarding the Florida Outpouring: Martha and I have known Todd Bentley personally since 1997: He ministered with us in Rock Creek BC, Canada when he first started ministering in 1998 as well as 1999. In 1999 we were asked to pray for a dead man but because the death of the man was being overseen by the RCMP by the time we got to the house, their answer to the man (Tony) in whose home the dead man was: as Tony told the Police officer, These people have come to pray for the man in the house: to which the officer replied “Definitely Not!” As they were waiting for the Coroner to show up.

Martha and I have also had connections with Todd's ministry Fresh Fire, during the past several years: I praise the Lord for the work that is being done in the lives of the people in Florida, and around the world, **but not the mixture**. And as a result I have included the following article sent on Email, in which there are some excellent points for all of us to consider: 1. In the Great Harvest that is yet coming – we read in Luke 21:25-28 – Regarding the Lord coming with His Mighty Angels, and in that time the chaff mixed in with the wheat as well as all the tares are no longer going to be mixed in with the purity of God in all that is going take place: *25And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; 26Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. 27And then shall they see the Son of man coming in a cloud with power and great glory. 28And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draws near. Also verses 32-36: "Verily I say unto you, This generation shall not pass away, until all is fulfilled. 33Heaven and earth shall pass away: but my words shall not pass away. 34And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares. 35For as a snare shall it come on all them that dwell on the face of the whole earth (We are encouraged to abide in His Presence and to behold His Face, and not be carnal or earthly minded). 36 Watch therefore and pray always that you may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man."*

The only way we are accounted worthy is: “They overcame the evil one – by the Blood of the Lamb, The word of their testimony (walking in agreement with the Living Word of God and abiding in it), and they loved not their lives unto the death (of the cross; the crucified life) living and walking in humility-

being joint to Christ in the Cross – the Crucified life, and becoming heirs with Him in the life of His resurrection where everything becomes new! (Revelation 21: 1-7 *“Now I saw a new heaven and a new earth, for the first heaven and the first earth had passed away. [Man is both soul (the heaven) and the body (the earth), both the spiritual as well as the natural – when the Spirit of God comes in and abides within us we become a new creation – the new heaven, as well as the new earth, having the mind of Christ. In 2Corinthians 5:1-4, 17 we read, “For we know that if our earthly house, this tent, is destroyed, we have a building from God, a house not made with hands, eternal in the heavens. ² For in this we groan, earnestly desiring to be clothed with our habitation which is from heaven, ³ if indeed, having been clothed, we shall not be found naked. ⁴ For we who are in this tent groan, being burdened, not because we want to be unclothed, but further clothed, that mortality may be swallowed up by life. ¹⁷Therefore, if anyone is in Christ Jesus, he is a new creation; old things have passed away; behold, all things have become new.”*

“Also there was no more sea” – (We all come out of all the nations tongues and people of the world - Rev. 17:15): But in Christ there is no more sea, for in Him we become citizens of His Heavenly Kingdom, and therefore there is No More Sea (no longer identified with the nations as we were prior to becoming the children of His Kingdom.) ² *Then I, John, saw the holy city, New Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband. ³ And I heard a loud voice from heaven saying, “Behold, the tabernacle of God is with men, and He will dwell with them, and they shall be His people. God Himself will be with them and be their God. ⁴ And God will wipe away every tear from their eyes; there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away.”*

⁵ Then He who sat on the throne (When Christ and the Heavenly Father are ruling and reigning and sitting on the throne of our hearts ALL THINGS ARE MADE NEW!) said, “Behold, I make all things new.” And He said to me, “Write, for these words are true and faithful.”

6 And He said to me, "It is done! I am the Alpha and the Omega, the Beginning and the End. I will give of the fountain of the water of life freely to him who thirsts. 7 He who overcomes shall inherit all things, and I will be his God and he shall be My son."

This is my friends is the Gospel of God's Kingdom, in the present tense, to be observed and possessed within all of our hearts and lives! And with these verses you can also read Revelation 21:22-27 & 22:1-7 – in my writings mentioned on the last page - I share these messages in detail – Desi Jakab.

Under God we have only One Obligation, and that is to set our affections on the Things Above, where we are seated with Christ in Heavenly Places and where we are Beholding His Face on a continual basis. Living in His Word, and in His presence and in the Anointing of the Holy Ghost – desiring to be clothed with Christ, and God's Holy Spirit. This is the only place were we are not going to be taken up with the cares of this life, the cares of this world, and where we are no longer abiding on the face of the earth, in the base carnal earthly realm and having the carnal mind of man living and abiding in us. The natural mind of man is an enemy of God! More than ever before we need the Pure and Holy Regenerated Mind of Christ in our foreheads and not the beastly understanding of who God is and who we are in Christ, and who the Living Christ is: For the Living Christ is to be made manifest in flesh, IN US! “We are crucified with Christ, and it is no longer I that live – but Christ that Lives in me and in us.” That is the goal, and the reach we all need to have when it comes to the overcoming life through Christ: That Precious, Wonderful, and Lovely Lamb of God, and Only Begotten Son of the Living God, who through the Power of the Holy Spirit has become the First Born of the many brethren – that are beginning to be made manifest.

God With Us – More Than Revival – by Ron MacGatlin: Spiritual Lightning and Forest Fires:

The fire of God has come near to earth with a mighty roaring sound to destroy the works of the devil. A bolt of lightning fire has struck in the forest of hungry humanity starving for a real outpouring of God. Multitudes of tired half-dead "beggars"

(revival chasers) sitting beside the kingdom highway because they were too weak from starvation to continue the journey have been struck by heavenly lightening. The fire of God has been ignited on earth in a sudden lightning strike in Lakeland, Florida USA.

There is nothing man can take credit for or claim to have done to have brought this about. God did not choose a noble, admirable man of high esteem to receive the igniting strike of lightning. God chose one of the most naturally un-glorious preachers on the planet. Todd Bentley, a redeemed drug addict is short, stout, balding, covered in tattoos and piercings, plainly clothed, without smooth manners, who does not preach eloquently and does not mind laying a heavy hand on people. His speech often appears to be promoting as he calls for people to come to the meetings and get some of what God is pouring out.

It appears that God is igniting from this fire of healing revival, a move of God that is rapidly spreading to the world. As the fire is carried and spread by a mighty rushing wind, a sudden burst of downdraft from heaven blowing through electronic media to the world there is something far greater than the original lightning strike of healing revival that is igniting in the world.

The original fire in Florida may have been powerful healing revival. **However, that which is igniting as it spreads around the world is more than revival. This is God coming to His people in a personal presence more intense than previous moves of God in my lifetime. In my opinion the fire that is spreading is NOT REVIVAL or RENEWAL but a new and greater presence of GOD WITH US. The cry is no longer, send us revival; it is come Jesus, Jesus, Jesus!**

Not A New Wineskin: However, many God seekers are confused and some are not sure why. **The outpouring in Florida is a fresh, new, and real substance of God with us. However, it is not being poured out through a new wineskin.** The container is not fresh, new, or completely real. The glory of God is pouring through the old revival model and methods of the last move of God. However, more change is on the way. **The new wineskin may not be in Florida but in spots around the world. New wine skins are coming that will properly carry the new wine in containers that will not merchandise or mix it with the old ways.**

A WORD OF WISDOM: Do not allow anything about the people, the past, or the current activities prevent you from receiving the

fire anointing being poured out. For God's sake, for your own sake, and for the sake of the world, don't allow appearance of the people or splashes of flesh to turn you away. Just get touched by all of the anointing that you can, however you can. It will manifest in you with purity according to your heart and according to your need and the need of those around you. **Do not seek to reproduce the model. What is coming forth is God with us and not a model for ministry or anything else.** God will come upon us with fire and reality of what we have prayed for and longed for but have not really experienced. There is real healing, real miracles, and real repentance from dead works that easily result as we come into the real work and heavy presence of God. We don't need to fake it. God is really with us inside and outside of our beings in such a way that miracles actually become only a side event of the presence of God. And I am not talking about only at the meetings in Florida or even only while watching them. I am talking about wherever you or I meet hungry people. The anointing of fire will be there once we are baptized in the Spirit and fire. Watching the meetings and seeing the notable miracles will soon grow boring if all we do is watch. The life and anointing will fade quickly if we do not get involved. Step out in faith and follow the Spirit in whatever, wherever, and however He leads, and God will empower.

ONLY BELIEVE AND FEAR NOT: Faith is easy in the fire. In the heavy presence of God, there is full awareness that we can do nothing. However, faith goes through the roof all the way to heaven when fire ignites and all things are truly possible with great ease. Our intellect that tries to tell us things are impossible is out of commission and non-functional as the anointing of fire in the heavy presence of God consumes our natural being.

Where there is complete faith, there is no fear. Where there is fear, there is a lack of faith. Do not fear angels. Holy angels are ministering spirits sent from God. Where the heavy presence of God is, there will be ministering spirits sent to do specific works of ministry to the hungry people. Some people will be aware of them and others will not.

*Heb 1:13-14: But to which of the angels has He ever said: "Sit at My right hand, until I make Your enemies Your footstool"? **Are they not all ministering spirits sent forth to minister for those who will inherit salvation?***

Do not fear manifestations. When the real power of almighty God comes into direct connection with a living human body and soul,

there will be extreme manifestations. Remember God is our loving heavenly Father and will not do evil to us. Do not fear the devil. Commit your way unto the Lord and trust in Him with your whole heart. Trust the Holy Spirit to guide and keep you. Please do not think you can figure God out and judge what He is doing with your wee little human understanding. Again trust in the Lord with all your heart.

Proverbs 3:5-6: Trust in the LORD with all your heart, And lean not on your own understanding; In all your ways acknowledge Him, And He shall direct your paths.

A Season of Intense Preparation: Strong preparation is needed for future intense times. The coming fall of all the pride and loftiness of man will facilitate a great harvest and a very serious time of extreme adjustments worldwide. The supernatural powerful presence of God will be carried by an army of people to destroy the works of the enemy from people's lives and the world. The evil works done by the enemy that have tormented and restrained the people will be removed and the people healed as salvation to all who will come is brought forth in fullness. **God is with us in this season preparing many in this time of preparation for the fullness of the kingdom coming to earth.** Note: Keep in mind it is the new wine (powerful reality of God with us) to receive and not the old revival wineskin nor the splashes of flesh. God is preparing a people for the extreme times ahead. God is intervening in spite of the vessels because of the times and the great hunger of the people. - Ron

Regarding Desi and Martha Jakab:

Desi and Martha Jakab have spent the years since July 2000, working with orphans and the poor in Africa. They went to Africa with no support and no wages only trusting in God's faithful provision. Years ago, the Lord taught them to live within their means, and to trust the Lord for everything even their very own existence and so it has been! In 2005 God gave to them the Charity called Feeding the Hungry - Global Ministries. At this present time they have been used by the Lord to help build a small private hospital in a remote area of Malawi: An area that has been devastated the past 7 years by floods and drought - both. The average life span of the people in the area called the Lower Shire is 35 to 36 years of age with many orphans left behind. We have also been partnering with local pastors and churches that are also taking care of and feeding the orphans not only in Malawi but also in Mozambique as well. To help in their ministry and feeding the poor of the earth - and taking care of the poor widows and orphans - as well as helping to finish the project of a very badly needed facility for the area - the hospital: you are welcome to give generously. We are one of the few ministries where all designated funds go directly to where they are designated. We keep nothing for ourselves!

Because Martha and I live by faith, and we do not take wages for ourselves, we do welcome the gifts sent to this ministry and they are income tax deductible: and they also go directly to where they are designated. We are currently building a small hospital in a remote area of Malawi, as well as feeding and taking care of and helping many orphans. **Thank you!** Missionaries: Desi and Martha Jakab

All gifts are Income Tax deductible. Please send gifts and offerings to:
